Town of Pittsford - a Clean Energy Community

*See listings below for
Upcoming Activities, Town Board Meetings & Community Meetings*

COMMUNITY SOLAR VIRTUAL PUBLIC INFO MEETING IS THIS MONDAY, FEBRUARY 22

As a member of Monroe Community Power, the **Town of Pittsford** is increasing its support of locally generated renewable energy, while lowering the electricity costs for Town residents and small businesses. A letter mailed to all households in the Town provided information about our Community Solar program and our upcoming virtual public information meeting to be held this Monday, February 22 from 6:00 – 7:00pm. See details below.

For each enrollment in our Community Solar program, the program administrator will donate **\$50 to a [Town of Pittsford Sustainability Fund](#)**, which will be used for a future project for our community. By signing up to participate in our Community Solar program, Town of Pittsford residents have already helped raise \$13,500 for the fund.

Community Solar gives residents and small businesses an opportunity to get involved in the clean energy movement and benefit from solar energy without installing solar panels. By enrolling in Community Solar, **participants will save up to 10% on their electricity bill**. Please note, those who have their own solar panels already receive solar credits and are not eligible to enroll in the Town's Community Solar program. The Town of Pittsford's Community Solar program is open to all residents (owners and renters) and small business owners within the RG&E utility account area.

Please join Supervisor Bill Smith and the Monroe Community Power team remotely this **Monday, February 22 from 6:00-7:00 PM** at an online **Public Info Session** during which we will discuss the program and answer your questions live. **RSVP** and get the virtual meeting details at www.bit.ly/solar-pittsford-0222.

Learn more about the Pittsford's Community Solar program and enroll here: www.monroecommunitypower.com/enroll.

THINK CONSERVATION – AND SPRING! – WITH THE COUNTY’S TREE, SHRUB AND PLANT PRE-ORDER PROGRAM

Order deadline is March 5

Winter is still here, but it's not too early to plan for your spring planting project - and you can help conservation efforts in our area while you do!

The Monroe County Soil and Water (MCSW) Conservation District's annual Conservation Tree, Shrub, and Plant pre-order program is currently underway and offers a wide variety of evergreens, hardwood trees, shrubs, wildflowers, groundcovers, seed mixes, plant variety conservation packs, and even enhancement items like bluebird nesting boxes and bat roosting boxes! Proceeds from the annual sale will benefit the MCSW Conservation District's education and preservation programs.

The catalog offers great choices for suburban conservationists, including an edible fruit multi-pack option - featuring two plants each of cold tolerant strawberry, raspberry, blackberry, and two varieties of blueberry - and a wildlife food plot seed mix for those interested in improving wildlife habitat. Packages range in unit size and price, from a bundle of 10 plants for as low as \$10, to bundles of 100 plants for as low as \$73. Native species new to the program this year include Common Hoptree, Black Walnut, Eastern Redbud, Northern Catalpa and Blazing Star.

Planting trees and shrubs is perhaps the most effective way for individuals to help keep our environment clean and green. In addition to providing shade, privacy, wildlife habitat, borders, windbreaks and snow fences, trees provide many environmental benefits not visible to the eye. They work as filters to help protect drinking water, clean the air of pollutants, help mitigate stormwater runoff and stabilize soil to prevent erosion, and reduce noise by acting as sound barriers. Trees can help cool your home in the summer, and break cold winds in the winter, helping to reduce energy use. They can even add value to your property.

Orders are due by March 5 and will be ready for pick up on April 22 - 23 at Monroe County's ecopark facility (10 Avion Drive, Rochester 14624). **To find the 2021 catalog, fillable online and printable order forms, a plant fact sheet and planting tips, visit the Monroe County Soil and Water Conservation District's [Tree and Shrub Program web page](#).** Order forms are also available at local Town and Village Clerk's offices. For further information, visit the MCSW Conservation District website at www.monroecountyswcd.org, email mcswcd@monroecounty.gov or call the MCSW Conservation District office Monday - Friday, 8:00am-4:00pm, at (585) 753-7380. Improve the environmental health of your property and support local conservation efforts - place your order today!

NYSDOT TO CLOSE STATE STREET BRIDGE THIS MONDAY, 2/22 AT 9:00AM

Bridge expected to remain closed for 6 months

The NYS Department of Transportation will close the State Street (Route 31) Bridge over the canal in Pittsford Village at 9:00am this Monday, February 22 to conduct needed work on the bridge. Per NYS DOT, the bridge will remain closed for up to six months as the contractor works to rehabilitate the steel floor system,

replace the concrete bridge deck, paint the lower section, and improve approaches to meet Americans with Disabilities Act (ADA) standards.

Minor preparatory work on the bridge by the DOT is currently underway. This work is being performed while the bridge is open to vehicular traffic with one sidewalk closed at a time.

During construction, **NYSDOT signed detours will be posted using I-490, NY-31F (East Ave/Fairport Road), and NY-96 (North Main Street/East Avenue)**. Recreational boating and the Erie Canal Heritage Trail below the bridge will remain open throughout the project.

The detour will be posted as follows:

- **Eastbound:** Route 31 (Monroe Avenue) to Route 96 (North Main Street/East Avenue) to Route 31F (East Ave/Fairport Road) to 490 East, exit Route 31 (Palmyra Road/State Street).
- **Westbound:** Route 31 (Palmyra Road), enter 490 West, exit Route 31F (Fairport Road/East Ave) to Route 96 (East Ave/Main Street) to Route 31 (Monroe Ave/State Street).
- **Pedestrian detour:** will utilize the Canal Trail adjacent to Schoen Place, between Route 96 (North Main Street) and Route 31 (State Street).

A temporary traffic signal will be installed at the intersection of Schoen Place and Route 96 (North Main Street). **Schoen Place is designed to accommodate local traffic only due**

restricted weight limit and narrow width; trucks and through traffic should follow the detours posted by NYSDOT.

Motorists will be kept informed with variable message signs and temporary work zone traffic control signs on site. Real-time traffic and construction updates can also be found by visiting www.511ny.org. **Those with questions or concerns regarding the project should contact** Kevin Cannan, Engineer in Charge, at Kevin.Cannan@dot.ny.gov, or by phone at (585) 364-0729.

Per the DOT, the bridge work is required to avoid frequent closures for temporary repairs, imposing a posted weight restriction, or permanent closure to vehicular traffic.

NEXT PITTSFORD ROTARY FOOD DRIVE IS SATURDAY, 3/6 – PYS WILL BE FEATURED
Donations will go to Pittsford Food Cupboard

The [Rotary Club of Pittsford](#), in collaboration with the Town of Pittsford, will conduct a drive-through canned and packaged food drive to benefit the [Pittsford Food Cupboard](#) on Saturday, March 6 from 9:00am to noon at Spiegel Pittsford Community Center.

Rotarians, volunteers from [Pittsford Youth Services](#) and Town staff will be collecting canned and other packaged foods, snow or shine. PYS will be offering information on the services they offer for the youth and families of our community, and will be selling limited edition 2021 Duck Drop Derby face masks. Proceeds will benefit PYS programs. Click this link for a [list of current Food Cupboard needs](#).

Volunteers working will be taking COVID-19 precautionary measures, including wearing face coverings and gloves and maintaining safe distances. The Pittsford Food Cupboard is among the many organizations that benefit from Pittsford Rotary's mission of service to our community and beyond. Please help our Rotarians help those in need if you can. The Spiegel Pittsford Community Center is located at 35 Lincoln Avenue in the Village of Pittsford.

PLEASE HELP KEEP FIRE HYDRANTS CLEAR THIS WINTER – EVERY SECOND COUNTS IN AN EMERGENCY

Property owners, home owners and snow removal operators are asked to be aware of neighborhood fire hydrant locations and to assist in keeping snow away from hydrants to maintain a 3-foot clearing around them. If you can do so, clearing a path from the hydrant to the street is also very helpful. In an emergency, every second counts and a clear path to a fire hydrant is critical - please help our emergency responders keep our community safe!

REMINDERS

SEASONAL PARKING RESTRICTIONS IN EFFECT THROUGH APRIL 1, 2021

In order to facilitate snow removal, Town of Pittsford seasonal parking restrictions are currently in effect through April 1, 2021. Parking of any vehicle on public roads - including state highways and on the shoulder of all roads - is prohibited each year from November 15 through April 1 in all areas within the Town and outside of the Village. During this time, please don't park on or along public roads outside of the Village. Please note violators may be ticketed or towed.

When the snow flies, we need roadsides clear of vehicles so our plows can get through. This is especially true in neighborhoods, where the streets are narrower. Vehicles parked along the roadside can hinder plows accessing your neighborhood. Please help us keep our streets safe and accessible!

ASL INTERPRETER ALWAYS AVAILABLE AT TOWN BOARD MEETINGS

The Town of Pittsford has an American Sign Language interpreter available at every Pittsford Town Board meeting, to interpret for those who need this service. Those who can't attend a Town Board meeting in person but are planning to watch the meeting's live stream can confirm their need for the interpreter by emailing comments@townofpittsford.org. Requests can be made in advance or can be emailed through the first ten minutes of the meeting. An on-demand Town Board meeting video with closed captioning will be available within 48 hours of the meeting; visit www.townofpittsford.org/home-channel12 and use the On-Demand links to view previously recorded meetings.
