

Special Notice Essential Services Remain Open, Non-Essential Businesses Closed

March 20, 2020

Message from Supervisor Smith

Fellow Pittsford Residents:

I was concerned to learn that a soccer game with adult players apparently took place the other night at Thornell Farm Park. It's a disappointment that some people will ignore so blithely the need to keep our distance from one another. Today Governor Cuomo beat me to the punch and banned all non-solitary outside activity, such as soccer, basketball games and other team sports.

Keeping our distance is critical to saving lives by slowing the spread of the virus and reducing the strain on our health system. Pittsford has an extensive system of trails and sidewalks for recreation and exercise - ideally suited for the demands of the moment.

The Governor also ordered the closing of all non-essential businesses across the state. **Essential services remain open. These include:**

- * grocery stores including all food and beverage stores
- * pharmacies
- * convenience stores
- * farmer's markets
- * gas stations
- * restaurants/bars (but only for take-out/delivery)
- * hardware and building material stores
- * trash and recycling collection, processing and disposal
- * mail and shipping services
- * laundromats/dry cleaning
- * building cleaning and maintenance
- * child care services
- * auto repair
- * warehouse/distribution and fulfillment
- * funeral homes, crematoriums and cemeteries
- * storage for essential businesses
- * animal shelters or animal care or management

The Town is fully compliant with the order to have 100% of employees deemed non-essential working from home. For Town staff who now won't be reporting to work as usual, we've taken pains to adopt policies to mitigate the burden on their lives to the extent possible.

Highway, Sewer, Parks and Maintenance Departments continue with their work. We've broken up the crews into small units that are sited separately from each other. These units consist of people who had been working together already. Smaller units mitigate risk of contagion among employees. Until further

notice, road repairs proceed, sidewalk construction continues and leaf and yard debris collection continues. Soon you'll receive the Town's annual mailing showing the pickup schedule for 2020.

We're prepared to handle problems caused by high winds tonight.

The Town Clerk's office is maintaining regular hours. You can pay taxes by mail or by using the drop slot immediately to the right of the front door of Town Hall. You can conduct all other business with the Clerk's office by phone. The number is 248-6210.

We're working with our Senior Center, the Pittsford Food Cupboard, Pittsford Youth Services, The Highlands, Cloverwood and Heather Heights to distribute hand sanitizer obtained from the State and to help in other ways.

If you have a friend or neighbor who's vulnerable in one way or another or who you think might benefit from some help, please call them them to see what you can do. What we're hearing at Town Hall about neighbors helping neighbors speaks highly of the kind of town we are.

The advice and direction we've been receiving from Governor Cuomo and County Executive Bello and their staffs have been exemplary. A tremendous help to us all. I thank them both.

You know as well as I do that the situation changes every day, and rapidly. I'll keep you updated.

Wash your hands.

Stay home.

Stay well.
