CELEBRATING THE NEW ERIE CANAL NATURE PRESERVE

We found a wonderful but chilly way to celebrate Earth Day on April 22 – with the official opening of The Town's new Erie Canal Nature Park and Preserve! If you couldn't join us, you can see our [photo gallery of the Nature Preserve ribbon cutting](#) here.

Encompassing natural wetlands, woodlands and meadows, our 20-acre Nature Preserve offers a creekside rest area, with overlooks of the frog ponds and meadows, and includes an elevated boardwalk trail allowing minimal-impact access to the wetlands. Its newly created trail connects the Canal Towpath with the Auburn Trail. The Preserve is part of 30 contiguous acres of natural habitat permanently preserved by the Town and Village.

Town Supervisor Bill Smith was joined by Deputy Town Supervisor Kate Bohne Munzinger, Town Board members Stephanie Townsend and Cathy Koshykar, Parks & Recreation Advisory Board Chair Rick Taylor, Environmental Board member James Pippin, Eagle Scout Paul Wazowicz, landscape architect and project designer Sue Steel, Parks Foreman Jess Neal and Commissioner of Public Works Paul Schenkel to cut the ribbon on the Preserve; residents, staff and volunteer board members were on hand to celebrate as well.

The benches throughout the park were designed by **Paul Wazowicz** for his Eagle Scout project - and he built the two benches located back by the frog ponds!

Plans are in the works for a native plants and pollinator garden at the Nature Preserve as well. Check the Town website and eNews for updates and in the meantime, stop by to enjoy the beauty of nature at the Erie Canal Nature Preserve!

The Town of Pittsford's Erie Canal Nature Preserve entrance is located along the Erie Canalway (Towpath) Trail – a short walk east from the Monroe Avenue Bridge or west from the North Main Street Bridge. See a [map and information](#) here.

ZONING CODE UPDATE: INPUT VIA ONLINE MAPPING TOOL EXTENDED TO 5/24

Public participation is critical to our Zoning Code Update – so we've extended the deadline for the online mapping tool to May 24 to ensure ample time for residents to use this easy and effective way to comment on Zoning changes.

Current pandemic protocols prevent traditional in-person workshops at this time but **the Interactive Mapping Tool on our Zoning Code Update website provides a**

virtual workshop that's open 24 hours a day, seven days a week. To offer additional time for comments from the public, access to the mapping tool has been extended through May 24.

For an easy way to let us know your thoughts about how and where to implement zoning changes that will best meet the needs defined in our Comprehensive Plan and Active Transportation Plan, use the Interactive Mapping Tool. [Find tips for using our Interactive Mapping Tool here.](#)

The Pittsford Zoning Code Update Interactive Mapping Tool, and details about how to use it, can be found at www.townofpittsford.org/zoningupdate/mapcomments.

Learn more about the Zoning Code Update and find links to the Town's Comprehensive Plan, Active Transportation Plan, current Zoning Code, and other informational materials, on the **Zoning Code Update website** at www.townofpittsford.org/zoningupdate.

ARBOR DAY IS THIS FRIDAY, 4/30; STAY TUNED FOR EXCITING TOWN ANNOUNCEMENT!

Arbor Day is a day dedicated to trees – planting them, appreciating them and nurturing them. The Town has long recognized the importance of ensuring there are plenty of healthy trees of all kinds in our community. We take great care to continue this tradition. In fact, we'll have a special announcement this Friday, on Arbor Day, related to this commitment. Be sure to check the Town website and Facebook page for details this Friday!

You can do your part to support trees as well. Visit the [National Arbor Day Foundation](#) website to find resources that will help you keep the spirit of Arbor Day strong! Plus, during this week of Arbor Day, your social post can turn into trees planted! **The Arbor Day Foundation will plant one tree for EACH Instagram, Twitter, or Facebook user who posts a picture of a tree using the hashtag #ArborDay** – donating up to 50,000 trees. Plus, Snoopy and his friends at Peanuts are matching the trees planted, so you can be part of planting up to 100,000 trees this year!

“STUDENTS PROMOTING ACCESS TO VACCINES” HELPS SENIORS AND OTHERS

Local students offer free COVID vaccine scheduling assistance

Two Pittsford students have created Students Promoting Access to Vaccines (SPAV), a program to help Pittsford seniors and others community members who may have difficulty scheduling COVID-19 vaccine appointments.

Cailey Huang, an 8th grader at Barker Road Middle School, and her sister Katherine, a senior at Pittsford Mendon High School, have created a customer-friendly free service to

make signing up for a COVID-19 vaccine easy and worry-free.

"Our goal is to make sure those in need or unable to navigate the technology are still able to sign up for vaccines" said Cailey.

Here's how the SPAV free vaccine scheduling assistance program works:

- Those in need of assistance with scheduling a COVID-19 vaccine can call (716) 320-1158 Wednesdays and Fridays between the hours of 3:00 - 5:00pm and Saturdays between 8:00 - 9:00am.
- The SPAV volunteer who answers the call searches for available appointments at the client's preferred time and location and books the appointment during the call, providing the client with all necessary information about the appointment.
- The SPAV volunteer makes an appointment reminder call to the client a few days before the appointment.

Only the client's name, phone number and appointment date/location is kept on file for follow up. Confidential information is not collected.

Right now it's just Cailey and Katherine taking the calls and making the appointments, but Cailey says they may consider recruiting more volunteers if there is enough community interest in the program.

For further information on the SPAV program, visit their website at www.spavroc.wixsite.com/spav. Questions can also be emailed to spavroc@gmail.com. Many thanks to Cailey and Katherine for developing and offering this valuable service to Pittsford community members in need of vaccine scheduling assistance!
