## **FREE MASK DISTRIBUTION TODAY FOR PITTSFORD RESIDENTS 10AM - 2PM**

The Town will be distributing masks free of charge to all Pittsford residents TODAY (Wednesday, May 13) from 10am to 2pm at Pittsford Mendon High School, 472 Mendon Road.

These are disposable surgical masks that Monroe County has made available to all of the towns. There are enough masks for every resident of Pittsford.

No reservations are necessary; it will be drive-up service following all appropriate COVID-19 protocols.

Many thanks to our collaborative partners County Executive Adam Bello, County Commissioner of Public Health Dr. Michael Mendoza, and Superintendent Mike Pero and the Pittsford Central School District.

## **MESSAGE FROM SUPERVISOR SMITH - THE CURRENT SITUATION**

### **Mask Distribution**

This past Saturday we distributed 34,000 surgical masks to Pittsford residents. Hail, snow, winds and cold didn't hamper our work, or slow it down.

Town Judge Bob Shaddock joined me and members of our Town staff in handing out masks to residents as they drove up. It was a pleasure to see so many of you. My Town Board colleague Stephanie Townsend suggested using the Grinch to publicize the event at different spots around town, then took on the role herself! Thank you Stephanie.

Sincere thanks also to Judge Shaddock and the staff members who joined me in handing out masks yesterday. Thanks as well to Commissioner of Public Works Paul Schenkel for organizing such a smoothly run operation, to School Superintendent Mike Pero and the Pittsford Central School District for letting us use the high school and to the County Sheriff's department for being there to direct traffic. Thanks to

County Executive Adam Bello for making the masks available to the Town. Government works best when we work cooperatively.

Remember that we'll be back at Pittsford Mendon High School to distribute masks again today, Wednesday, May 13, from 10am to 2pm. No reservation necessary; just drive up.

### **Summer Programs**

We continue to plan for our summer programs. We're evaluating strategies on how best to move forward in the safest way, once the State permits us to do so. Programs for children, such as Summer Camp, are a priority. Summer Camp registration is currently open.

For other summer programs, the current plan is to open registration on June 8, but please remember that this could change, as could program details. Please keep in mind, program details may change as we continue to receive guidance from the State and from the County Department of Health.

### **Small Business Re-opening**

For me this is a critical concern and a priority. We are, of course, subject to decisions at the State level on re-opening. In the meantime, the Town Administration is working in consultation with the Pittsford Chamber of Commerce. We just provided 2,000 masks to the Chamber, for use by small businesses in Pittsford in contemplation of re-opening.

### **Re-opening Town Facilities**

Twice a week I participate in a conference call with the other town Supervisors and Village Mayors in Monroe County. Again, government works best when we cooperate and share ideas. Among issues of particular interest right now is reopening Town facilities, such as the Library, the Community Center and Town Hall.

Throughout the current shutdown, Pittsford Town Hall has continued to serve our residents. The Town Clerk's office, the Assessor, the Building Department and the Supervisor's office are active every day performing customary services - if sometimes in an uncustomary way. This past Friday I performed my first socially distanced marriage!

Our operational departments - Highway, Parks, Sewers, Maintenance - have continued in their work throughout the current crisis, working in small, separated groups and using COVID-19 safety precautions. I've asked all department heads for a reopening plan for their operations, taking into account COVID-19 protocols that I expect we'll need to be observing for some time. Be aware that decisions we make and actions we take, whatever else they bring, will not compromise the safety or health or well-being of our Town staff members.

Right now, the earliest practical date we're looking at for re-opening Town Hall is June 8 or thereabout. Much of the decision on opening up Town Hall will turn on the physical logistics of being able to keep people physically separated by 6 feet while there. For a building from 1890 whose main area of operations on the ground floor consists basically of one narrow corridor with offices off either side, this will be a challenge. All I can tell you is that we'll do our best. That, and that pending re-opening, all of the essential Town Hall services continue.

### **Stay the Course**

Even with Saturday's hail storm, consistently pleasant weather is just around the corner. Sunshine and warmth make the temptation to ignore guidelines for distancing and use of masks all the stronger. Please

don't succumb to them. Stay the course. The sooner we get the infection numbers down, the sooner our community reopens.

Wash your hands.

Stay home.

Stay well.

*Bill Smith, Town Supervisor*

### **REMEMBRANCE POPPIES TO HONOR THE FALLEN - VIRTUAL POPPY DRIVE**

Memorial Day falls this year on May 25; it is a time to remember the servicemen and women who lost their lives during war-time service. This year, as COVID-19 health safety and social distancing protocols prevent a physical sale, the members of Rayson-Miller American Legion Post #899 are conducting a **virtual Remembrance Poppy Drive** via their Facebook page and website. Funds raised from the annual poppy sale go to benefit veterans who are disabled, homeless or in severe financial crisis due to circumstances beyond their control.

Should you wish to make a donation in honor of our military members who made the ultimate sacrifice, you can donate via PayPal (no account needed, credit and debit cards accepted) by using the [Poppy Donate Now button](#) on the [www.RaysonMillerPost899](http://www.RaysonMillerPost899) website or the Donate tab on the [Rayson-Miller Post 899 Facebook page](#). Donors will receive a link to a digital "I donated" poppy for online use. If you are able to, please consider supporting this unique way to honor the memory of our fallen armed service members while helping veterans in need.
