Advance registration is not required; please call Animal Control at 248-6240 with any questions. Many thanks to Dr. Larry Silberg from Doorbell Vet, who will be conducting our clinic this year. IN APPRECIATION: NATIONAL POLICE WEEK, PEACE OFFICERS MEMORIAL DAY IS SATURDAY

This week is National Police Week (May 9 - 15) and this Saturday is Peace Officers Memorial Day. It is a time to recognize those who protect and serve our community with integrity, courage and dedication. It is a time to remember

and honor those who lost their lives in the line of duty. It is a time to thank them all for their service. Our deep gratitude to Monroe County Sheriff's Office Zone A Commander Captain Scott Alberti and to all of the deputies and civilian support staff who respond to our community needs and help to keep Pittsford safe.

BLOOD DRIVE AT THE LIBRARY THIS TUESDAY, 5/18

The Town of Pittsford will host a Red Cross blood drive this Tuesday, May 18 from 9:00am – 2:00pm at the Pittsford Community Library in the Fisher Meeting Room. The Library is located at 24 State Street in the Village of Pittsford.

Donors can schedule an appointment by calling 1-800-RED CROSS (1-800-733-2767) or using this [online registration link](#). **Please schedule an appointment prior to your arrival to help ensure we can safely manage the flow of donors.**

The Red Cross will be following all COVID-19 guidelines during the blood drive; additional precautions in place include physical distancing protocols, face coverings, health screenings and enhanced cleaning procedures. Enhanced safety practices include:

- **Pre-Donation Donor Temperature Screening** - all donors must have their temperature taken onsite before entering the blood drive; those with a temperature greater than 99.5°F will be asked to donate at another time and will not enter.

- **Masks** - all donors, staff and volunteers are required to wear masks; those without a mask will be provided with one.
- **Enhanced Disinfecting** - hand sanitizer will be available in multiple areas and donor beds will be sanitized between every donor.
- **All staff will be screened** for temperature and symptoms before working; staff will wear gloves throughout entire blood drive, changing gloves between every donor.

Donors can save time using the RapidPass registration process. Just visit www.redcrossblood.org/RapidPass on the day of your scheduled donation, read the information, answer the questions, then print or email yourself the pass.

Donating blood is a simple thing to do, but it can make a big difference in the lives of others. **Current natural disasters and the complexities of COVID-19 mean your help is needed now more than ever.** The Red Cross has the ability to move blood around the country to wherever, and whenever, it is needed most. **All blood, platelet and plasma donations will be tested for COVID-19 antibodies as well.** The test may indicate if the donor's immune system has produced antibodies to this coronavirus, regardless of whether they developed symptoms.

As we continue to navigate this pandemic, blood donations remain essential to the health of our communities. The Red Cross needs the ongoing support of blood donors and blood drive hosts to ensure blood products are available for patients battling disease and facing the unexpected. If you are eligible and feeling well, please make an appointment today to give by using the Red Cross Blood Donor App, visiting RedCrossBlood.org or calling 800-RED-CROSS

ZONING CODE UPDATE: INPUT VIA ONLINE MAPPING TOOL EXTENDED TO 5/24

Public participation is critical to our Zoning Code Update – so we've extended the deadline for the online mapping tool to May 24 to ensure ample time for residents to use this easy and effective way to comment on Zoning changes.

Current pandemic protocols prevent traditional in-person workshops at this time but **the Interactive Mapping Tool on our Zoning Code Update website provides a virtual workshop that's open 24 hours a day, seven days a week**. To offer additional time for comments from the public, access to the mapping tool has been extended through May 24.

For an easy way to let us know your thoughts about how and where to implement zoning changes that will best meet the needs defined in our Comprehensive Plan and Active Transportation Plan, use the Interactive Mapping Tool. [Find tips for using our Interactive Mapping Tool here.](#)

The Pittsford Zoning Code Update Interactive Mapping Tool, and details about how to use it, can be found at www.townofpittsford.org/zoningupdate/mapcomments.

Learn more about the Zoning Code Update and find links to the Town's Comprehensive Plan, Active Transportation Plan, current Zoning Code, and other informational materials, on the **Zoning Code Update website** at www.townofpittsford.org/zoningupdate.

REMEMBRANCE POPPIES TO HONOR THE FALLEN – VIRTUAL POPPY DRIVE

Memorial Day falls this year on May 31; it is a time to remember the servicemen and women who lost their lives during war-time service. This year, continued COVID-19 health safety and social distancing protocols will limit the Pittsford American Legion Rayson-Miller Post 899 in-person Remembrance Poppy sales and donation canisters. To ensure their continued support of veterans in need, the members of Rayson-Miller Post #899 are conducting a **virtual Remembrance Poppy Drive** via their Facebook page and website. Funds raised from the annual poppy sale go to benefit veterans who are disabled, homeless or in severe financial crisis due to circumstances beyond their control – 100% of the funds raised are used for these services; no funds are kept by the Rayson-Miller post.

Should you wish to make a donation in honor of our military members who made the ultimate sacrifice, you can donate via PayPal (no account needed, credit and debit cards accepted) by using the Poppy Donation graphic on the www.RaysonMillerPost899.org website or the Donate tab on the [Rayson-Miller Post 899 Facebook page](#). Donors will receive a link to a digital "I donated" poppy for online use. If you are able to, please consider supporting this unique way to honor the memory of our fallen armed service members while helping veterans in need.
