Town of Pittsford - a Clean
Energy and Climate Smart
Community

See listings below for

Upcoming Activities, Town Board Meetings & Community Meetings

SPEEDING AND DRIVING SAFETY PUBLIC FORUM IS TONIGHT - WEDNESDAY, 9/21

To address speeding and driving safety concerns, the Town will hold a public forum tonight, Wednesday, September 21 at 6:00pm in the public meeting room at Town Hall. The forum will address current speeding and roadway safety concerns and look to identify potential additional solutions to these problems. The meeting will include discussion of the current petition to lower the speed limit on Clover Street from 55 to 45mph, from Calkins Road to the NYS Thruway. The Town supports the petition and will be asking the State to eliminate the passing zones in the same area as well. Pittsford Town Hall is located at 11 South Main Street.

TOWN WINS RECOGNITION AS A CLIMATE SMART COMMUNITY

The Town of Pittsford has won designation as a Climate Smart Community, the New York State Department of Environmental Conservation announced on September 19. Through this designation the State recognizes the Town's extensive commitment to sustainable practices and care for the environment.

"Our Town has a long history of policies and actions for environmental progress," said Pittsford Town Supervisor Bill Smith. "In 2017 we earned State recognition as a Clean Energy Community. Today's accomplishment follows on that success. The improvements we've made to become a Climate Smart Community are built on a long legacy of environmentally sustainable practices and policies." Smith continued, "For example, we've replaced 95% of the Town's streetlights with LED fixtures, installed solar panels at King's Bend Park, built Electric Vehicle charging stations at our Spiegel Community Center and Library and started a successful composting program at our Senior Center. Together with our many other efforts, these measures contribute to a healthier environment for us all. Climate Smart status is not an end; it is rather a milepost on the road to improved environmental health that Pittsford has traveled for

years.”

Climate Smart Communities (CSC) is a New York State program that encourages local governments to take action to reduce greenhouse gas emissions and adapt to a changing climate. CSC certified communities are acknowledged as the foremost leaders in the state, having completed and documented a range of actions intended to mitigate climate change at the local level.

Town of Pittsford Climate Smart Communities Designation – Key Sustainability Actions:

LED Streetlights – the Town has replaced over 95% of Town-owned or operated streetlights with energy-efficient and longer-lasting LED fixtures (106 out of 111 streetlights).

Solar Energy Panels – the Town installed a total of 43 solar modules atop two buildings located at King's Bend Park, 170 W Jefferson Rd, for a peak wattage of 15.48kW – essentially powering the electricity needs of the two lodges at the park.

Composting program – the Town implemented a composting program for senior lunches at the Spiegel Community Center. Food scraps are collected during the lunches, picked up by service provider Impact Earth, and the compost is returned to the Town for use in the Community Garden at Thornell Farm Park.

Electric Vehicle (EV) Charging Stations – the Town owns and operates two EV charging stations: one at the Town Library and one at the Spiegel Community Center. Both EV chargers are classified as Level-2 stations (faster charging time and averaging 25 miles of driving per hour charged) and each have two charging ports per site. Both sites are easily accessible and available for public use 24 hours a day, 365 days a year. The Town currently is working to secure funding for a third EV charging station.

SCHOOL TAXES: DUE IN FULL BY 10/1

School Tax on-time full payments are due by **Saturday, October 1**. Due to October 1 falling on a weekend, all payments received, or postmarked Monday, October 3 will be processed as on time.

The Town continues to encourage payments by mail or by secure drop box available 24/7; drop boxes are located at both the front and back entrances of the Pittsford Town Hall, 11 South Main Street. If you will be sending your payment by mail or drop box, please include your payment coupon and a contact phone number on your check. Failure to do so increases processing time. Payments also can be made at Canandaigua National Bank, 18 State Street, in Pittsford Village or online through Monroe County; there will be a 2.7% fee to use this online payment service. To pay online, click [HERE](#).

Canandaigua National Bank will continue to accept *full payments only* through October 1.

Second and third installment payments cannot be accepted at Town Hall. Second and third installments will only be accepted at the Monroe County Office of the Treasury (39 West Main Street, Monroe County Office Building) and made payable to: Monroe County Treasurer; they are not payable at Town Hall.

Full payments with 2% interest will be accepted from October 3 - October 31 and these payments can be mailed or placed in the secure mail slot at Pittsford Town Hall. If you need assistance in that calculation, please contact the tax office directly by email at townclerk@townofpittsford.org or phone 585-248-6215 for the correct amount due.

Please Note: **We strongly discourage paying your tax bill via your banking Electronic Checking/Online bill pay system.** If you are paying your bill with an online bill pay system, please be aware that your bank still mails us a paper check without a USPS postmark and it may take as long as two weeks to reach our office. Therefore, your payment is not considered received until we physically receive the payment in our office. **We do not recommend sending payment in this manner.**

Heat Smart Pittsford campaign promotes clean energy options & free energy audits

The Town is working with HeatSmart Monroe and Color Pittsford Green to promote clean heating and cooling options through a *Heat Smart Pittsford* community outreach and education campaign. The campaign will spread the word about clean heating and cooling technologies to help make Pittsford homes more energy-efficient and less dependent on fossil fuels. An **information session will be held at the Pittsford Community Library on Wednesday, September 28 at 7:00pm.** The meeting is free and open to the public – register at <http://Bit.ly/heatsmartpittsford>. Attend to find out how you can sign up for a **free, no-obligation home energy assessment** and receive a **free report your current home heating demands and options for sustainable improvements**, including home insulation/air-sealing improvements and/or a heat pump system.

Adopting sustainable practices like improved insulation and air-sealing and using affordable heat pump technology can enhance indoor air quality, decrease negative impacts on the environment, and can lower your energy costs. Taking action now will help make the Pittsford community cleaner, greener, and more sustainable long into the future!

COVID-19 Access Updates

3/2/22 Update: the Statewide mask mandate for schools expired 3/1, mask use is now optional in Pittsford School District schools; for more information, visit www.pittsfordschools.org/COVID-19INFORMATION. The mandate remains in place for health care facilities, transportation and other related entities .

2/10/22 Update: the Statewide mask mandate has expired for indoor public spaces including grocery stores, shops and offices. The mandate remains for other settings such as health care facilities and schools.

1/31/22 Update: the Governor's mask mandate extended to February 10, 2022.

12/13/21 Update: By order of NYS Governor Kathy Hochul, until January 15, 2022 the Town must require all persons entering Town buildings to be masked, regardless of vaccination status. This applies to all Town indoor facilities, including Town Hall, the Spiegel Pittsford Community Center, the Pittsford Community Library, Town Court and the Highway Department, Sewer Department and Parks Department offices.

On June 15, 2021, Governor Cuomo announced that COVID-19 restrictions are lifted immediately as 70 percent of New Yorkers aged 18 or older have received the first dose of their COVID-19 vaccination series. The State's health guidance and New York Forward industry specific guidelines—including social gathering limits, capacity restrictions, social distancing, cleaning and disinfection, health screening, and contact information for tracing—are now optional for retail, food services, offices, gyms and fitness centers, amusement and family entertainment, hair salons, barber shops and

personal care services, among other commercial settings.

On August 2, 2021, Monroe County was designated as a County with a "substantial" COVID infection. Consequently, the CDC now recommends that people, regardless of vaccination status, wear a mask indoors. This is a recommendation, not a mandate. The guidelines are unclear at this point, as is the situation. Neither the State, the County or the Town has imposed a mask *requirement* at this stage.

Unvaccinated individuals continue to be responsible for wearing masks, in accordance with federal CDC guidance. Consistent with the State's implementation of the recent CDC guidance, masks are still required for unvaccinated individuals.

For information on the vaccine, on getting the vaccine, regional vaccination data and more visit the [Finger Lakes COVID-19 Vaccine Hub](#).

Monroe County Services at Town facilities:

The County has suspended until further notice Passport Services at Town Hall and Mobile DMV service at Pittsford Town Court. Find updated information for Monroe County DMV here <https://www2.monroecounty.gov/clerk-COVID-19>.
