REFUSE DISTRICT ENROLLMENT UNDERWAY THROUGH APRIL 30

The Town in 2019 enabled residents to create refuse districts for their neighborhoods. To date we have 24 neighborhood refuse districts in Pittsford. Creating a refuse district means potentially lower cost to residents for trash collection and reduces garbage truck traffic on residential streets in your neighborhood to one visit, once a week. Setting up a Refuse District and setting the boundaries of the district are entirely up to the residents of a district - it is an optional program. The residents decide the boundaries of the district, then inform the Town of their decision. Our Town staff members guide interested residents through the process. **January 1 - April 30, 2023 is the enrollment period for setting up a refuse district that will begin service in 2024.** Find complete information about setting up a Refuse District at www.townofpittsford.org/refuse-districts.
