

Welcome to another exciting year of the Pittsford Recreation Department's Summer Fun Program! Planning is well underway for another summer of fun for our participants.

Matt Fowler has been appointed the Director of the Summer Fun Program for 2009. This will be Matt's seventh year with the Summer Fun program, and he has held various positions within the department including Recreation Supervisors' Assistant and Assistant to the Summer Fun Program Director. Please contact Matt with any questions that you may have at mfowler@townofpittsford.org.

Some exciting changes have been made for the 2009 program. The grades 2-4 site has been moved to Jefferson Road Elementary School, 15 School Lane in Pittsford. Please also note that the Mendon Center Elementary School site is now for grades 5-7, only. The 2009 Summer Fun field trip schedule is listed on our website or available at the Spiegel Community Center. The trip schedule may assist you in making your summer plans.

Please pre-register for each week that your child attends the program. We ask that you do not drop off your child at the site until you have registered. For your convenience, registrations may be submitted on-line or by dropping your form off at the Spiegel Community Center, 35 Lincoln Avenue in Pittsford.

If your child has any allergy or medical conditions that the site staff needs to be made aware of, please submit the participant medical form that can be downloaded from our website or picked-up at the Spiegel Community Center, 35 Lincoln Avenue in Pittsford.

You will receive a program procedure and policy sheet on your child's first day at the site, which will discuss drop-off and pick-up, emergencies, field trips, behavioral guidelines, and other operational procedures. When dropping off your child on the first day, please fall into the line of cars at the site and wait for staff to assist you.
