

PITTSFORD COMMUNITY LIBRARY

Many services offered by Pittsford Community Library are provided through the Monroe County Library System and supported by New York State funding.

With New York State funding cut back to 1993 levels and increasing costs to provide those services, the Pittsford Community Library, along with most libraries in Monroe County, will be increasing overdue fines and fees to request materials.

EFFECTIVE SEPTEMBER 1, 2011

**\$1.00 TO RESERVE AN ITEM
\$.35 OVERDUE FINE, PER DAY,
PER ITEM**

**ANY EXISTING HOLDS NOT FILLED
BEFORE SEPTEMBER 1 WILL BE
CHARGED THE NEW RATE.**

To ease the transition, we are offering a Prepaid Hold Card. If purchased before September 1, you get 12 holds for \$5.00. After September 1 cards will cost \$10.00 for 12 holds. Cards may only be used at the Pittsford Library and do not expire.

Prepaid hold cards are available for purchase at the Check Out/Return Desk.

The Pittsford Community Library is committed to providing excellent service at the lowest possible cost. We appreciate your understanding as we try to maintain these services.

Services provided through the Monroe County Library System include internet access, online catalog and circulation systems and the delivery of books and items between libraries.
