**PROCLAMATION FOR 19TH AMENDMENT CENTENNIAL**

Supervisor Smith thanked Councilmember Townsend for proposing a celebration of the Centennial of the Ratification of the 19th Amendment to the United States Constitution and for organizing a Committee for this purpose, working with Deputy Supervisor Munzinger and the committee on planning the event. The Supervisor asked Councilmember Townsend to read the Proclamation of the Town Board recognizing the centennial. Councilmember Townsend then read aloud the following Proclamation:

**Proclamation**

in celebration of Women’s Suffrage and the 19th Amendment Centennial

**Whereas,** the 19th Amendment to the United States Constitution was ratified in 1920, giving women one of the most fundamental rights of citizenship – the right to vote; and

**Whereas,** the women’s suffrage movement was launched at the Seneca Falls Convention in 1848, where the Declaration of Sentiments proclaimed that “all men and women are created equal, that they are endowed by their Creator with certain inalienable rights, that among these are life, liberty, and the pursuit of happiness” and demanded that all women be afforded “the equal station to which they are entitled” and the “inalienable right to the elective franchise,” and

**Whereas,** in 1869, a new group called the National Woman Suffrage Association was founded by Elizabeth Cady Stanton and Susan B. Anthony; this group began the fight for a universal-suffrage amendment to the U.S. Constitution; and
Minutes of the Town Board for August 18, 2020

Whereas, the women’s suffrage movement had an active and committed history in Pittsford, formalized in 1902 by the founding of the Pittsford Political Equality Club; and

Whereas, on August 18, 1920, the 19th Amendment to the U.S. Constitution was ratified and on November 2 of that year, millions of women across the United States voted in elections for the first time; and

Whereas, the full inclusion of women as citizens and guaranteeing the protection of women’s rights are essential for the success of democracy; and

Now, Therefore, Be It Known, that the members of the Pittsford Town Board recognize and proclaim the value of celebrating on this day the 19th Amendment Centennial Anniversary and further recognize and celebrate, in ongoing commitment, the spirit, principles and efforts espoused by the Women’s Suffrage Movement; and

Be it Further Known, that this proclamation was declared adopted by the order of the Pittsford Town Board on August 18, 2020 on the centennial of the 19th Amendment’s ratification.

Thereafter, Supervisor Smith invited the public to participate in the celebration, noting that the schedule of events for this weekend and next appears in our eNews and on the Town website. Deputy Supervisor Munzinger thanked Councilmember Townsend and the many staff and community members who participated in planning the event, including: Shelley O’Brien, Town Communications Director; Bonnie Salem; Peggy Brizee; Town Historian Audrey Johnson; Deputy Historian Vicki Proffitt; Mayor Corby; Jessie Hollenbeck and Allison Burchett of our Recreation Department; Library Director Amanda Madigan. She also thanked Randy Lewis and Charles Moulten of our Maintenance Department, who put up all the signs around town, and the many others who assisted with the project.

PRESENTATIONS ON COMMUNITY SOLAR
JOULE COMMUNITY POWER: Supervisor Smith introduced Victor-Pierre Melendez from Joule Community Power and Susan Hughes-Smith from Roctricity, who presented their proposed program for Community Solar if chosen as administrators for the project. A copy of their presentation is included in the Town Board file for this meeting. The presenters answered questions by Town Board members following their presentation.

POWER MANAGEMENT: Supervisor Smith introduced Richelle Acker, Jerry Walters, Scott Youngman and John Byrd of Power Management, which has been the Town’s consultant for the past 10 years for obtaining lowest prices for electricity and gas for Town facilities and operations. They presented their proposed program for Community Solar if chosen as administrator for the project. Power Management’s presentation is included in the Town Board file for this meeting. The presenters answered questions by Town Board members following their presentation.

Supervisor Smith recommended, and board members agreed, to review both presentations on Community Solar, for discussion and decision at the next meeting.

PRESENTATION ON ELECTRICITY CONTRACT FOR TOWN OPERATIONS
On a different subject, Power Management then discussed a new electricity contract for Town operations, to replace the current contract that expires in September, reviewing bids they had obtained for locked-in electricity prices from 100% renewable sources, showing options for 1-, 2- and 3-year contracts. Richelle Acker noted that the market is at a very good point right now and recommends that the Town contract the purchase of electricity for more than just one-year, given the current opportunity to lock in a low price for a three year period. She explained that the rate for the three-year agreement is slightly higher than for a shorter term, reflecting the risk assumed by the provider, but the rates are so low now that the overall savings make it more beneficial to the Town to lock in with a longer-term agreement. Power Management considers this a good time to get the best rate for a longer-term agreement.
Minutes of the Town Board for August 18, 2020

Supervisor Smith recommended, and board members agreed, to review Power Management’s recommendation for the Town to lock in electricity pricing from 100% renewable sources for the three year period, for decision at the next meeting.

MINUTES
Minutes of the July 21 and August 4 meetings were reviewed and edits were suggested. Councilmember Beckford noted that he declined to suggest potential edits, recognizing the Clerk’s task in minuting meetings of nearly four hours’ duration, and because video of both meetings is available on demand.

Councilmember Koshykar suggested that, as the Town Clerk had previously discussed, the Minutes of Board meetings could be shortened by focusing on the resolutions proposed and voted on, minimizing notes regarding discussion. The Board agreed. Town Clerk Dillon thanked the Board.

OTHER MATTERS
Supervisor Smith reported that he has received word from the Village that it is still completing its final review of the joint Town-Village Active Transportation Plan. We expect to hear back from them in the days ahead about a date when we can set a joint Town-Village hearing to give final approval to the Plan, he said. Upon inquiry, Supervisor Smith noted that our staff, particularly the IT Director and the Communications Director, are working diligently with ERCN to set up the infrastructure to allow the Board to resume in-person meetings with live streaming, using the new camera. Following inquiry by Councilmember Koshykar, the board will discuss review of hiring resolutions at its upcoming executive session. Upon inquiry by Councilmember Beckford, Supervisor Smith indicated that once in-person meetings of the Board resume, if a board member must isolate because of potential exposure to COVID, that member can participate by remote connection only upon adequate public notice of the remote participation, and only if the remote site were open to members of the public during the meeting. He explained that the Open Meetings Law requires this. Councilmember Townsend noted as well that unless a new Executive Order by the Governor were to change things, a hybrid in-person / Zoom meeting would not be permitted. Attorney Robert Koegel agreed with the points mentioned by the Supervisor and by Councilmember Townsend.

PUBLIC COMMENT
Ginger Sacco offered a comment to the Board.

As there was no further business, the Supervisor adjourned the meeting at 7:45 P.M.

Respectfully submitted,

Linda M. Dillon
Town Clerk
