## **MESSAGE FROM SUPERVISOR SMITH - DRIVERS: TAKE NOTE**

Even with the conspicuous reduction in traffic around Pittsford in the current emergency I'm getting reports from residents about drivers speeding and blowing through stop signs in residential neighborhoods and elsewhere.

With all of our schoolchildren at home at least for the foreseeable future, this is a time for every one of us to drive as carefully as ever. Even with restrictions on groups, children in the same household could be out playing in their neighborhood.

One cause of emergency is bad enough. Please let's not add to it with neglectful or dangerous driving.

***Supervisor Bill Smith***

### **REMINDERS**

#### **SEASONAL PARKING RESTRICTIONS IN EFFECT THROUGH APRIL 1, 2020**

In order to facilitate snow removal, Town of Pittsford seasonal parking restrictions are in effect from November 15 (this Friday) through April 1, 2020. Parking of any vehicle on public roads - including state highways and on the shoulder of all roads - is prohibited each year from November 15 through April 1 in all areas within the Town and outside of the Village. During this time, please don't park on or along public roads outside of the Village. Please note violators may be ticketed or towed.

When the snow flies, we need roadsides clear of vehicles so our plows can get through. This is especially true in neighborhoods, where the streets are narrower. Vehicles parked along the roadside can hinder plows accessing your neighborhood. Please help us keep our streets safe and accessible!
