SUPERVISOR SATURDAY THIS WEEK WITH BILL SMITH

Town Supervisor Bill Smith will hold his regularly scheduled community open house this Saturday, April 6 from 9:00 - 10:00am at the Pittsford Community Library. Stop by and join the conversation to catch up on current issues, Town projects, and other topics you might wish to discuss.

Have a question about forming a Refuse District for your neighborhood? About the Town's sustainability efforts and plans? About the proposed intermunicipal Community Choice Aggregation plan that's intended to bring green-sourced electric power to Pittsford residents at lower cost? Maybe something of concern in your neighborhood. Everything's open for discussion.

This casual open house, held in the Library's Fisher Meeting Room, enables residents who can't stop by to see the Supervisor during the work week a chance to speak to him directly. Come and discuss what matters most to you! Drop in - no registration required. The Pittsford Community Library is located at 24 State Street.

Supervisor Smith keeps an open door policy and also welcomes visits from residents at Town Hall during regular business hours Monday to Friday. As always, he's available by phone at 248-6220 and by email at bsmith@townofpittsford.org.

Pittsford Community Survey

REMINDER: PRE-REGISTER FOR COMMUNITY SURVEY

The Town will soon be conducting one of its periodic community surveys. We've posted notices online to encourage as high a level of community participation as possible. We will also be mailing a notice to every household.

We offer participants the chance to pre-register at www.PittsfordSurvey.com so you can be notified as soon as the survey goes live, which is planned for next week. The email notification will include a direct link to the survey.

We will be mailing a notification about the survey to every household. Paper surveys, for those who don't have a computer or don't want to take the survey online, will be made available as well. Online access to the survey will also be available at the Pittsford Community Library and the Spiegel Pittsford Community Center.

Your responses to the survey will be completely anonymous. This was one of the requirements that the Town insisted upon in selecting a consultant to do the survey. Complete anonymity for responses to the survey is critically important to residents feeling comfortable in telling us what they really think. Understanding what you really think is the whole point of the Community Survey.
