LOCAL LAW NO. 1 OF 2021:
THE ADOPTION OF PROPOSED LOCAL LAW NO. 1 OF 2021: AMENDING “ARTICLE VIII. DEMOLITION PERMITS” OF “CHAPTER 64. BUILDING CONSTRUCTION AND MAINTENANCE” OF THE TOWN OF PITTSFORD MUNICIPAL CODE

Sec. 1 Title
This Local Law shall be known as Local Law No. 1 of 2021: Amending “Article VIII. Demolition Permits” of “Chapter 64. Building Construction and Maintenance” of the Town of Pittsford Municipal Code.

Sec. 2 Amendment to Existing Law
The Pittsford Town Code, Article VIII of Chapter 64, shall be amended to read as follows:

Chapter 64 – Building Construction and Maintenance
Article VIII – Demolition of Structures; Board Review and Permit Required

§ 64-41. Purpose.
The Town of Pittsford contains structures of historic and/or architectural merit, or which otherwise contribute beneficially to the character of the Town and the neighborhood in which such buildings stand. These structures are or may be threatened by development pressures. The purpose of this Article is to provide for public notice and board review before any such structures are demolished.

§ 64-42. Demolition permit required; Board review and permit required; Board review exemptions.
A. Demolition permit required. No person may partially or substantially demolish any structure within the Town of Pittsford which requires a building permit to construct without the issuance of a demolition permit by a Code Enforcement Officer. For purposes of this article, the term “substantially demolish” means the demolition of 50% or more of the exterior of an affected structure’s existing footprint, including porches and garages, as determined by a Code Enforcement Officer.
B. Board review and permit required. No person may substantially demolish any non-exempt structure within the Town of Pittsford without the review and approval of a demolition permit application by the Design Review and Historic Preservation Board, and the issuance of a demolition permit by a Code Enforcement Officer authorizing such demolition work.

C. Board review exemptions.
1. Dilapidated structures. Structures which, in the sole discretion of a Code Enforcement Officer, are seriously damaged by fire, storm, or other calamity, or are in such poor condition so as to constitute a threat to health, safety, or general welfare, or both, are exempt from board review for a demolition permit.

2. Minor structures. The following structures are exempt from Board review for a demolition permit: temporary structures; appurtenant structures, including but not limited to, buildings which are less than 180 square feet in size, tree houses, decks, and patios; recreational equipment or pools of any size; and fences; provided, however, that where applicable, all such minor structures remain subject to review for a certificate of appropriateness under Article XXX of Chapter 185 herein.

3. Non-historic Structures included in a Planning Board application. Structures that are not inventoried or designated as historic under Article XXX of Chapter 185 herein, but which are included as part of a Planning Board application that requires a public hearing, are exempt from board review for a demolition permit.

4. Discretionary Exemption by the Design Review and Historic Preservation Board. Upon review of available information pertaining to the structure proposed for demolition, including its address, age, architect if available, photographs, square footage, height, and the proposed size and lot location of any proposed replacement structure, the Design Review and Historic Preservation Board shall promptly determine, at a public meeting, whether to exempt from hearing any application for demolition of a structure which, in its sole discretion, does not contribute to the existing character of the neighborhood, Historic District, potential Historic District, or the Town, by virtue of the structure’s architecture or historic resources. Any application so exempted will be promptly referred to a Code Enforcement Officer for the processing of a demolition permit.

§ 64-43. Procedure.
A. Hearing application.

1. Form. Any person seeking Town permission to substantially demolish any non-exempt structure within the Town of Pittsford shall complete and furnish to the Code Enforcement Official an application on a form created by the Town Building Department and providing such information so as to allow the Design Review and Historic Preservation Board to evaluate the negative impacts of the proposed demolition to the neighborhood, Historic District, potential Historic District, or the Town.

2. Minimum requirements. At a minimum, all applications must include the existing structure’s age, square footage, height, style, and other available information, such as the structure’s architect or historical interest, parcel map or aerial photographs, and color photographs of the existing structure’s exterior elevations. If any replacement structure or addition is proposed, drawings or plans must be presented showing both the existing and proposed structure’s elevations and clearly identifying all new construction and labeling all materials as new or existing. The application must also identify zoning variances required for any proposed
replacement structure or addition. If no replacement structure or addition is proposed, site restoration plans must be presented.

3. Additional information and inspection. Additional information may be required by the Town Building Department or the Design Review and Historic Preservation Board as deemed necessary to determine conformity with Town regulations and with the spirit and intent of this Article prior to a decision on the application. Such information may include, but is not limited to, interior photographs that represent the current condition of the structure. An inspection of the site, including the inside of the structure, by at least one member of the Design Review and Historic Preservation Board and a Code Enforcement Officer, may also be required. If a new addition or structure is proposed, further requirements may include floor plans, site plans, grading plans, landscaping plans, and demolition/development procedures.

B. Notice and Hearing. Within thirty (30) days from receipt of a complete application, the Design Review and Historic Preservation Board shall hold a public hearing on the application. Notice of the hearing shall be given by Town Hall bulletin board posting and newspaper publication no less than five (5) days prior to the hearing in accordance with law. Additional notice by Town website posting, site sign posting, and mail to neighboring properties will conform to informal Town policy.

C. Standards and Decision. Within forty five (45) days of the commencement of a public hearing on the application, the Design Review and Historic Preservation Board shall decide in writing to approve, with or without conditions, or to disapprove the demolition application, upon express consideration of the following standards and information:
1) The need or reasons for the proposed demolition;
2) The description of the replacement structure or restoration plan for the site;
3) The historic and architectural significance of the structure, and the effect of demolishing the structure and rebuilding any replacement structure is expected to have on the character of the neighborhood and community, including a Historic District if the building stands within such a District and including any potential Historic District as identified in the Town’s most recent Historic Resource Survey Update; and
4) Information derived from the public hearing.

D. Application approval; failure to act upon. Any approval of an application, with or without express conditions, shall be conditioned on compliance with Town and State code provisions regulating demolition activities. Upon approval of an application and compliance with Town and State code provisions regulating demolition activities, a Code Enforcement Officer shall promptly issue the demolition permit. If a decision on an application is not reached within 45 days of the commencement of the public hearing, the application will be deemed denied, unless a time extension is granted at the request of the applicant.

E. Appeals. Consistent with the provisions of Article IX of this chapter, an appeal of any decision of the Design Review and Historic Preservation Board regarding a demolition application may be made to the Town Zoning Board of Appeals.

Sec. 3 Severability
If any clause, sentence, phrase, paragraph or any part of this Local Law shall for any reason be adjudicated finally by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder of this Local Law, but shall be confined in its operation and effect to the clause, sentence, phrase, paragraph or part thereof, directly involved in the controversy or action in which such judgment shall have been rendered. It is hereby
declared to be the legislative intent that the remainder of this Local Law would have been adopted had any such provision been excluded.

Sec. 4 Effective Date
This Local Law shall take effect immediately upon its enactment and filing with the Secretary of State.

DISCUSSION OF QUESTIONS AND PROPOSALS FROM COUNCILMEMBER KOSHYKAR
Supervisor Smith noted that the Board had not yet discussed the portion of Councilmember Koshykar’s proposed changes to the Rules of Procedure involving social media use by elected officials

Supervisor Smith referred to the Town Attorney’s memorandum to the Board on this subject. The Town Attorney stated that the Memo speaks for itself.

Councilmember Townsend spoke, referring to recent rulings with respect to public officials, noting that she has a social media Personal page, a Town Board page and an Election page, and uses them accordingly. However, she noted, that should a person post a Town-related topic on their personal page, then they would be held to the “elected official standard” wherein you are not permitted to block people from that page. She recommends that elected officials should not mix the postings on these pages as best practice. Councilmember Townsend requested that Attorney Koegel keep the Board up to date on any new rulings that may address the issue of blocking others from social media pages, especially requesting that he investigate the findings for the case regarding Congresswoman Alexandria Ocasio-Cortez, who blocked individuals on her social media page. Councilmember Beckford agreed and stated that he, himself, has had negative and disturbing postings on his page and like to know the rulings on this matter.

Thereafter, Personnel Director Cheri Fleming noted that, although she respects the elected officials and understands the reasons why some have not signed the Town’s Social Media Policy, she noted that Board members are still paid Town employees, just like all the other Town employees, and therefore, should be held to the same rules and policies that the Town requires of its employees.

Councilmember Townsend noted that elected officials are different and if they put something out on social media that is not liked or favored by the public, although they cannot be terminated, as the policy states, the elected officials could be voted out of office.

Town Clerk Linda Dillon spoke, noting that although residents can vote an elected official out of office, employees, who may be victims of unwanted defamatory statements from elected officials have no recourse, especially if they are not a resident of the Town. She noted that she has been such a victim of a false defamatory statement by two current councilmembers and that a public posting of the document containing the defamatory statement remains on the internet. She, therefore, strongly encouraged the Board to review and consider standards for elected officials to be equitable for all employees.
Supervisor Smith noted that it seemed that the Board had come to consensus on most of the specific points regarding Rules of Procedure that Councilmember Koshykar had brought up, except for one or two items, one being the placing of items on the agenda and the other whether non-residents of Pittsford other than those permitted by law, should be permitted to comment at Town Board meetings and thereby influence decisions of the Town Board that affect Pittsford residents.

Supervisor Smith indicated that procedurally we have an idea of what the consensus of the Board is, and the Town Attorney can draft proposed changes for Board discussion. Councilmember Koshykar asked that, instead, a committee of two members of the Board prepare proposed revisions of the rules.

Councilmember Beckford said it is important to change the rule about public comments so that non-residents can speak at the meetings if they are representing a resident. Supervisor Smith confirmed that this is already permitted, as stated by him in discussing public comments at the beginning of each meeting.

Deputy Supervisor Munzinger stated that she felt that the Board had gone through all the items on the list at the last meeting and that the Board had reached consensus on almost all of them; that there may be one item remaining open, about allowing non-residents to comment. Discussion followed as to next steps. The Board agreed that Councilmember Koshykar, Supervisor Smith and Attorney Koegel will meet to review and develop draft revisions to the rules to put forth for Board consideration. Councilmember Townsend recommended reducing the number of motions in the Rules, specifically motions to commit, to reconsider and to adjourn, as these are never used.

UPDATE REGARDING COVID RELIEF BILL
Upon request and inquiry, Finance Director Brian Luke gave a brief update to the Board regarding the prospects of the Covid Relief Act for federal funding. Finance Director Luke reported that early estimates indicate the Town could receive potentially $3,220,000.00. However, he cautioned that there are specific allowable uses for the money, and, the information that he has received notes that it is subject to change. At this time, information received indicates that funds may be used for the following purposes:

- Costs associated with responding to the COVID-19 public health emergency or its negative economic impacts, including but not limited to, assistance to household, small businesses, and nonprofits or aid to impacted industries such as tourism, travel, and hospitality.
- To support workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers or by providing grants to eligible employers that have eligible workers who perform essential work.
- To cover revenue losses caused by the COVID-19 public health emergency.
- To make necessary investments in water, sewer, or broadband infrastructure.

Finance Director Luke cautioned members that the information he is giving them is very preliminary and is subject to change, but that he will update the Board as more information becomes available.

OPERATIONAL MATTERS
PUBLIC COMMENTS
Jon Sussman commented on Engagement of a Grant Writer.

PUBLIC HEALTH EMERGENCY PLAN ADOPTED
Supervisor Smith introduced the proposed adoption of the Public Health Emergency Plan, noting and thanking several staff members who were a part of the committee formed to formulate this plan, including Chief of Staff Spencer Bernard, Commissioner of Public Works Paul Schenkel, Fire Marshal Kelly Cline, Town Attorney Robert Koegel, Finance Director Brian Luke, Assistant to Commissioner Renee McQuillen, Personnel Director Cheryl Fleming, and Maintenance Foreman Randall Lewis. Commissioner Schenkel introduced Fire Marshal Cline, as the lead on this committee, to speak regarding this plan. Fire Marshal Cline reviewed the history of the plan, noting that the Town has had an Emergency Plan in place for a number of years, but this particular plan, which has been mandated by the Governor to be adopted by April 1, is more specific to a medical health emergency and includes practices and procedures that have been taken in the last year due to the pandemic. She noted that most of the practices and procedures have already been put in place since the pandemic began, but this
Minutes of the Town Board for March 16, 2021

document memorializes these practices and incorporates them into our Employee Handbook and Personnel Rules.

There was some discussion regarding emergency communication to staff, as well as residents, during emergency situations, and how funding may be used to expand or develop information, databases and technology to get the information out to the staff and the public, when necessary. Commissioner Schenkel and Fire Marshal Cline indicated the various ways that the Town already has in place and how it has utilized systems like “hyper-reach” through emergency services operations and the possibility of developing a registration database to expand its reach.

After some additional discussion and comments of thanks to the committee, the Resolution to adopt the Public Health Emergency Plan was offered by Councilmember Beckford, seconded by Councilmember Townsend, and voted on by members as follows: Ayes: Beckford, Koshykar, Munzinger, Townsend and Smith. Nays: none.

The Resolution was declared carried as follows: RESOLVED, that the Town Board of the Town of Pittsford adopt the “Public Health Emergency Plan” and authorizes that said plan be incorporated into the Employee Handbook and Personnel Rules.

ENGAGEMENT AND CONTRACT FOR GRANT WRITER APPROVED AS AMENDED

Finance Director, Brian Luke, reviewed the proposed recommendation for engagement and approval for J. O’Connell & Associates as a grant writer for the Town for the year 2021, noting that they are a NYS MWBE business. It was also noted that this is a contract for professional services, and, therefore, does not require an RFP for this proposal. This grant writer has worked with many municipalities over many years successfully, and Finance Director Luke has worked in East Rochester with this grant writer and they come highly recommended by the Administrator of East Rochester.

Town Attorney Koegel noted that there were two (2) typos within the document that he recommends to be amended as follows:

Page 2, No. 2(B) GRANTS ADMINISTRATION - The hours noted in parenthesis currently as 14 hours, should be amended to read: (34 hours); and the last sentence should be amended to read “fee reaches $2,550,” (not $2,250).

Following some discussion, and responding to the resident comments, a Resolution to approve the engagement and contract for grant writer services with J. O’Connell & Associates as amended was offered by Supervisor Smith, seconded by Deputy Supervisor Munzinger, and voted on by members as follows: Ayes: Beckford, Koshykar, Munzinger, Townsend and Smith. Nays: none.

The Resolution was declared carried as follows: RESOLVED, that J. O’Connell & Associates, Inc. be and hereby is engaged to write grant applications on behalf of the Town of Pittsford; and be it further

RESOLVED, that for purposes of giving effect to the foregoing resolution, the attached form of contract between the Town and J. O’Connell & Associates, Inc. be and hereby is in all respects, approved as amended; and be it further

RESOLVED, that the Town Supervisor be and hereby is authorized to execute such contract on behalf of the Town.

OTHER BUSINESS

Supervisor Smith asked for the Board’s preference for arranging interviews for the Equity Advisory Committee. Members discussed whether all of the board members interview each candidate, or if the interviews are conducted the same way they are for the Town volunteer boards, whereby two Town Board members interview the candidates, each two interviewing a few of the candidates, so that all Town Board members have the opportunity to interview a few of the candidates. Following discussion the Board agreed that the basic questions for interviews for this committee should be different from the standard questions for Volunteer Board members and for this purpose Board members can offer their suggestions for all to consider. Once decided, the Board will schedule interviews.

Councilmember Koshykar referred to a document entitled Code of Ethics that she circulated to Board members and noted that it has been referred to the Town Attorney for review. The Board briefly discussed this item. Councilmember Beckford supported the review and update to the Code of Ethics, indicating a desire to have it codified. Deputy Supervisor Munzinger noted that she has some concerns about some portions of this proposal. She supports the Town Attorney’s review and is concerned that a major project such as updating the Town’s existing code of ethics requires a great deal of work and attention over time and questions whether this is reasonable to do now, when the Board is involved in the Zoning Code update, about to begin on the Equity Advisory Committee, and other projects. Supervisor Smith noted that before overhauling any policy, typically the process begins with identifying a need to update it or replace it, and therefore the initial focus should be assessing need, i.e., what has come up that requires us to look at our current Code of Ethics? He stated that a first step is the review by the Town Attorney and that he had asked the Personnel Director to participate in the review as well. He stated that overhauling a policy statement like this involves a process that must be done with deliberation and care, over time. Board members discussed completing the Zoning Code update first, before beginning another major policy update. Deputy Supervisor Munzinger added that she did not feel it was appropriate to continue discussion of this item at this time, as the public has not seen the proposal and in the interest of transparency further discussion should wait until something goes on the agenda.

Councilmember Beckford asked the Finance Director to determine the fiscal impact on the Town of increasing the minimum wage paid to full-time hourly staff from the current $13.50 per hour to $15/hr.

Councilmember Townsend spoke in concert with Supervisor Smith’s earlier comments regarding the need for civility, in all forms of communication, whether it is in person, at a meeting or on the internet, reminding everyone...
that we are neighbors to each other and should realize that we all still have many things in common and should respect one another’s views and opinions, even if they are not our own.

PUBLIC COMMENTS
Resident Jon Ferris commented.

Having no further business to discuss, the Supervisor adjourned the meeting at 7:38 p.m.

MEMORANDUM

To: Town Board Members  
From: Robert B. Koegel  
Date: April 1, 2021  
Regarding: 3600 Clover Street, Partial Release of Conservation Easement  
For Meeting On: April 6, 2021

Bridleridge Farms LLC is the owner and developer of a 122-lot residential subdivision on both sides of Clover Street south of the NYS Thruway. About one-half of the property is subject to an open space conservation easement held by the Town.

On the east side of Clover Street, there are several large, vacant subdivided lots. Among those lots are contiguous lots 117 and 118, designated as 3600 and 3590 Clover Street, respectively. Bridleridge Farms would like to adjust the lot lines of lots 117 and 118 and reduce the size of the conservation easement on lot 117 in order to balance the comparative sizes of lots 117 and 118 and allow greater flexibility in the development of both lots.

In order to accomplish these goals, the developer needs the approval of both the Planning Board, for the lot line adjustment and the concept of reducing the amount of open space conservation easement, and the Town Board, for the release of a portion of the easement on lot 117. Bridleridge Farms has already obtained the approval of the Planning Board, as appears from the Planning Board resolution adopted March 22, 2021, a copy of which is submitted herewith.

It is important to note that the lot line adjustment and the partial release of conservation easement land will not result in any more building lots or new homes. Moreover, while the requested release affecting lot 117 would reduce the amount of land subject to the conservation easement over the entire subdivision by about 1.4 acres, there would still be more than 109 acres of land subject to the Town’s open space conservation easement, which is about 3 acres more than required by zoning. No sensitive environmental features have been identified.

Submitted herewith for your consideration is a “Partial Release of Conservation Easement,” which includes a legal description of the easement to be released and an instrument survey. A copy of a letter from the developer requesting the changes is also submitted herewith.

RESOLUTION

I move that the Town Board authorize the Town Supervisor to sign the attached proposed “Partial Release of Conservation Easement” involving the Town’s easement located on 3600 Clover Street. This resolution is subject to permissive referendum, and the Town Clerk is directed to post and publish the required notice of such permissive referendum.
PARTIAL RELEASE OF CONSERVATION EASEMENT

THIS PARTIAL RELEASE, made the _____ day of April, 2021, by the Town of Pittsford, a municipal corporation with its principal office at 11 South Main Street, Pittsford, New York 14534 ("Releasor") to Bridleridge Farms LLC, a domestic limited liability company, having an address of 30 Grove Street, Pittsford, New York 14534 ("Releasee").

WITNESSETH:

WHEREAS, the Releasor was granted a Conservation Easement ("Easement") from the Releasee, dated September 5, 2019, and recorded in the Monroe County Clerk’s Office on September 16, 2020, in Liber 12392 of Deeds, at Page 97, over certain parcels of real property, including the parcel located at 3600 Clover Street, in the Town of Pittsford, County of Monroe and State of New York; and

WHEREAS, the Releasor, by Town Board Resolution on April 6, 2021, has determined that a Partial Release of the aforesaid Easement is reasonable and will not result in a hardship to the Releasor, and that the remaining portion of the Easement will be sufficient for the purposes of the Easement;

NOW, THEREFORE, in consideration of the facts and circumstances as set forth above, the Releasor herein does hereby release from the aforesaid Easement the property described on “Schedule A” and depicted on “Schedule B,” both attached hereto and made a part hereof.

Planning Board
Town of Pittsford
11 South Main Street
Pittsford, NY 14534

Dear Board Members,

We are proposing re-subdividing lots 117 and 118 in section 1 of the Bridleridge Farms subdivision. As part of this process, we are requesting to release excessive conservation easement area on the South of lot 117.

The re-subdivision creates no new building lots; it simply adjusts the lot line between the two lots to provide greater flexibility in the siting of homes on each lot while providing lots 117 and 118 with a similarly sized rear lot line. The re-subdivision is an administrative review process conducted by the Town DPW.

The request for release of excess conservation easement area on lot 117 also will provide greater flexibility for the lot’s development. This includes flexibility for accessory structures, such as a small horse barn, which is a permitted use within the RRSP zone for lots of this size.

The conservation easement area to be released, contains no lands or natural features of importance as identified by the Town. The lands are dormant lands of the former land use and contain no woods, wetlands, viewshed, or other habitat or ecological features.

The area of conservation easement to be released is 1.46 acres located at the south end of lot 117. After the release, the total development open space/conservation easement area, in this subdivision, will be 109.10 acres. This amount continues to exceed the required open space of 106 acres by 3.10 acres.

If you require any additional information concerning this request, please contact our office. We can be available for any discussion that needs to take place.

Sincerely,

[Signature]

Bridleridge Farms LLC
WHEREAS, Bridleridge Farms LLC, has submitted a formal request to the Planning Board for an adjustment to previously approved Open Space/Conservation Easement layout, with a letter of intent received February 17, 2021; and

WHEREAS, the applicant is requesting release of 1.46 acres of excess conservation easement area on lot 117 as part of a re-subdivision of lots 117 and 118 in Section 1 of Bridleridge Farms Subdivision, leaving a remaining 109.10 acres for the total open space/conservation easement area for the development, which his 3.05 acres over the required amount for open space; and

WHEREAS, the Planning Board as lead agency issued a negative declaration as part of the concept approval for the overall subdivision on December 11, 2017; and the proposed changes/adjustments represent no additional potential for environmental impacts; and

WHEREAS, Final Subdivision approval was granted on April 22, 2019; and

NOW, THEREFORE, upon consideration by the Planning Board, of all written and oral submissions and testimony by the Applicant, appropriate agencies and the public, the Planning Board having given this matter due deliberation and consideration; it is

RESOLVED, that the Planning Board of the Town of Pittsford agrees with the reduction in Conservation Easement and lot line adjustment as proposed, shown in the map attached hereto and described in the attached legal description, based upon the following Findings of Fact; and subject to compliance with the following Condition of Approval:

**FINDINGS OF FACT**

1. The area on Conservation Easement proposed for release has not been identified as a valuable wetland, woodlot, agricultural land, steep slopes or view shed.

2. The nearest home is more than 250 feet away from the area proposed for release.

3. After release of the 1.4 acres of Conservation Easement, the overall project will still provide more than 109 acres of Open Space Conservation Easement, which is 3 more acres than is required by zoning.

4. The proposed lot line adjustment is not a Town Board action.
5. The neighboring property of 3626 Clover Street, owned by Josh Weitz and Lesley Loss, submitted the following comment regarding the request for conservation easement release:

"Lesley and I have reviewed the attached files, and appreciate the time Doug spent discussing the proposed change with me today. Certainly the notion of losing a conservation buffer is never exciting; however, we are not actively opposed to the change and appreciate the town planning boards' willingness to inquire as to our thoughts."

MEMORANDUM

To: Town Board
From: Brian Luke, Director of Finance
Date: March 31, 2021
Regarding: Purchase Amount Authorization
For Meeting On: April 6, 2021

Currently, purchases for less than $5,000 but more than $1,000 require (1) a written request for goods and (2) quotes from 3 vendors. I recommend that this be changed to raise the lower threshold from $1,000 to $2,000.

My recommendation is based on discussions with Department Heads and my experience as an Auditor and CPA. Department Heads believe that this change will adjust for the inflation of prices over the years and allow them to use their time more efficiently. This change will increase operational efficiency while maintaining the purpose of our practices for smaller purchases.

If the Town Board agrees, the following resolution would be in order:

Resolved, that purchases by the Town for less than $2,000 shall not require a written request for goods or multiple quotes and that this be reflected in applicable departmental guidelines and policies.
MEMORANDUM

To: Town Board

From: Brian Luke, Director of Finance

Date: March 31, 2021

Regarding: Fixed Asset Policy Update

For Meeting On: April 6, 2021

The fixed asset policy is the guideline that the Town follows when tracking inventory and capital assets. The policy establishes thresholds for when items need to be added to inventory. In addition, the policy determines when items are capitalized and depreciated on the Town’s financial statements. After reviewing this policy, I recommend the following change: Fixed assets with a minimum value of $500.00 and a useful life of one (1) year or more and physical characteristics not appreciably affected by use or consumption shall be inventoried and recorded on an annual basis. Please reference the document “Updated Fixed Asset Policy” to see the proposed changes highlighted in yellow. The previous version of this document used a threshold of $100.

My recommendation is based on discussions with Department Heads and my experience as an Auditor and CPA. Department Heads believe that this change will adjust for the inflation of prices over the years and allow them to use their time more efficiently. This change will increase operational efficiency while upholding the integrity and intent of the policy.

Be it resolved, that the Director of Finance is authorized to make the highlighted changes to the Fixed Asset Policy.

Furthermore, be it resolved, that the “Updated Fixed Asset Policy” be adopted.
The Town Supervisor or his/her designee shall be responsible for maintaining a continuous and accurate inventory of equipment owned by the District in accordance with "The Uniform System of Accounts for Towns."

All supplies and equipment purchased and received by the Town shall be checked, logged, and stored through an established procedure.

The Director of Finance shall be responsible for accounting for general fixed assets according to the procedures outlined by the Uniform System of Accounts for Towns and GASB Statement 34 Regulations.

These accounts will serve to:

a) Maintain a physical inventory of assets;
b) Establish accountability;
c) Determine replacement costs; and
d) Provide appropriate insurance coverage.

Fixed assets with a minimum value of $500.00 and a useful life of one (1) year or more and physical characteristics not appreciably affected by use or consumption shall be inventoried and recorded on an annual basis. Fixed assets shall include land, buildings, and equipment.

The Board shall establish a dollar threshold as a basis for considering which fixed assets are to be depreciated. Such threshold shall ensure that at least eighty percent (80%) of the value of all assets is reported. However, it is recommended that such threshold shall not be greater than $10,000 (ten thousand dollars). A standardized depreciation method and averaging convention shall also be established for depreciation calculations.

Fixed assets acquired having a value equal to or greater than the established threshold are considered depreciable assets and shall be inventoried for the purposes of GASB 34 accounting practices and placed on a depreciation schedule according to its asset class and estimated useful life as stipulated by the New York State Comptroller’s Office or the Internal Revenue Service (IRS).
Assets shall be recorded at initial cost or, if not available, at estimated initial cost; gifts of fixed assets shall be recorded at estimated fair value at the time of the gift. A property record will be maintained for each asset and will contain, where possible, the following information:

a) Date of acquisition;
b) Description;
c) Cost or value;
d) Location;
e) Asset type;
f) Estimated useful life;
g) Current value;
h) Salvage value;
i) Date and method of disposition; and

The Director of Finance shall arrange for the annual inventory of Town property, equipment and material. Any discrepancies between an inventory and the Town’s property records on file should be traced and explained.

MEMORANDUM

To: Pittsford Town Board
From: Paul Schenkel - Commissioner of Public Works
Date: March 31, 2021
Regarding: Approval of Assignment of Lease
For Meeting On: April 6, 2021

Ladies and Gentlemen:

The Town of Pittsford leases certain parcels of Town-owned land to local farmers. Each of the parcels is currently under a three-year lease that ends on December 31, 2022. Silco Farms LLC has notified the Town that due to the impending retirement of Mike and Jim Silco, it will not continue farming the 18.0 acre parcel on Hedge Wood Lane for the remainder of the lease term.

In order to keep this land under cultivation, it will be necessary to approve an assignment of the leasehold interest to another farmer. Jared Brush, of Hidden Springs Farms, has approached the Town, asking to take over the farming of the property leased by Silco Farms. The assignment would not change any provision of the lease except for the name of the Lessee. This includes the term of the lease, which will expire on December 31, 2022.

In the event the Town Board determines that the proposed action should be taken, the following Resolution language is suggested:

Resolved, that the Supervisor be and herby is authorized to approve an assignment of the lease dated March 3, 2020 between the Town of Pittsford and Mike Silco, Silco Farms LLC, to Hidden Springs Farm LLC, with all current provisions of the lease remaining unchanged except for the name of the Assignee/Lessee.

If any such Lien shall at any time be filed, Lessee shall cause the same to be discharged of record or bonded within thirty (30) days after the date of filing. If Lessee shall fail to discharge or bond any such Lien within such period then, in addition to any other right or remedy of Lessor, Lessor may, but shall not be obligated to, procure its discharge.

9. Events of Default. Any or more of the following events shall constitute an "Event of Default":
(a) failure of Lessee to pay all rent within ten (10) days after written notice to Lessee that rent is past due; or
(b) failure of Lessee to perform or comply with any of the other terms, covenants or conditions of this Lease, within twenty (20) days after written notice thereof from Lessor to Lessee, except that in connection with an Event of Default, other than those referred to in the paragraph (a) of this Section, not susceptible of being cured with due diligence within twenty (20) days, the time for Lessee to cure shall be extended for such time as may be necessary to cure with due diligence, provided that Lessee commences property and proceeds diligently to cure and further provide that such period of time shall not be so extended as to subject Lessor to any civil or criminal liability or forfeitures; or
(c) if Lessee shall file a voluntary petition in bankruptcy or shall be adjudicated a bankrupt or insolvent, or shall file any petition or answer seeking any reorganization, arrangement, imposition, readjustment, liquidation, dissolution or similar relief under the present or any future federal bankruptcy act or any other present or future applicable federal, state or other statute or law or shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of Lessee or any or any substantial part of its properties or of the Property; or
(d) if within sixty (60) days after the commencement of any proceeding against Lessee seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or any future federal bankruptcy act or any other present or future applicable federal, state or other statute or law, such proceeding shall not have been dismissed, or if, within sixty (60) days after the appointment, without the consent or acquiescence of Lessee, of any trustee, receiver or liquidator of Lessee or of any or any substantial part of its properties or of the Property, such appointment shall not have been vacated or stayed on appeal or otherwise, or if, within sixty (60) days after the expiration of any such stay, such appointment shall not have been vacated.

10. Remedies.
(a) Right to Terminate. If an Event of Default occurs and is not cured within any applicable grace period, Lessor may give written notice to Lessee specifying the Event of Default and stating that this lease and the term shall expire and terminate on the date specified in the notice, which date shall be at least ten (10) days after the date of this notice. Upon the date specified in the notice this Lease and the term, and all rights of Lessee under this Lease, shall terminate.

(b) Right to Re-enter. If any Event of Default occurs and is not cured within any applicable grace period, Lessor may: (a) immediately or at any time re-enter the Property, or any part thereof, by summary proceeding or by any suitable action or proceeding at law, or by force or otherwise, without being liable to indictment, prosecution or damage therefore; or (b) repossess the same, and remove any persons or property therefrom, using such force as may be necessary, without being in any manner guilty of trespass, eviction or forcible entry or detainer, and without relinquishing Lessor's right to Rent or any other right given Lessor by this Lease or by operation of law.

Notwithstanding any such termination, Lessee shall remain liable for all rents remaining as if the Lease had not been terminated, and Lessor's reasonable attorneys' fees in the connection with such termination.

(d) **Remedies Cumulative.** Nothing in this section shall limit or preclude the recovery by Lessor from Lessee of any sums or damages, Lessor may lawfully be entitled by reason of the occurrence of any Event of Default including reasonable attorney's fees and associated court costs. The remedies specified in this section are cumulative and shall be in addition to every right or remedy now or hereafter existing at law or in equity or by statute or otherwise, and the exercise by Lessor of any one or more of the rights or remedies provided for in this Section or now or hereafter existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by Lessor of any or all other rights or remedies provided for in the Lease or now or hereafter existing at law in equity or by statute or otherwise.

11. **No Waiver.** No failure by Lessor to insist upon the strict performance of any term, covenant or condition of this Lease or to exercise any right or remedy, and no acceptance of full or partial rent during the continuance of any breach shall constitute a waiver of any such breach or of any such term, covenant or condition.

12. **Entry onto Property.** Lessor shall have the right to enter onto the property upon reasonable prior notice to Lessee during ordinary business hours, or at any time in case of emergency, for the purpose of inspecting the Property or Lessee's compliance with laws, or to show the Property to any prospective purchaser or mortgagee.

13. **Limitation of Liability.** It is understood and agreed that Lessee shall look solely to the interest of Lessor in the Property for the satisfaction of Lessee's remedies for the collection of a judgment (or other judicial process) requiring payment by the Lessor in the event of any default or breach by Lessor with respect to any of the terms, covenants or conditions of the Lease to be observed or performed by the Lessor, and any other obligations of Lessor created by or under this Lease, and no other property or assets of Lessor shall be subject to levy, execution or other enforcement procedures for the satisfaction of Lessee's remedies.

IN WITNESS WHEREOF, the parties have executed this Lease as of the date first set forth above.

All amounts so transferred shall be credited to the Account Participant’s Rollover Account or Alternate Payee Account and shall be available for distribution at any time during the Plan Year. As of any date that is not a Valuation Date, a Participant’s Plan Benefit shall be calculated in accordance with the previous sentence as of such date, but based upon the value of the Account Participant’s Accounts as of the close of the most recent Valuation Date. The value of an Account as of a Valuation Date shall be calculated as of each Valuation Date in accordance with a methodology established by the Committee and reasonably and consistently applied to all similarly situated Account Participants and shall be based upon an Account Participant’s aggregate deferrals and contributions to the Trust Fund and distributions and withdrawals from the Trust Fund, the investment performance of the Investment Options in which each Account has been allocated, and any fees, credits or debits allocable to each Account. As of each Valuation Date, each Account shall be adjusted to reflect all Units or dollars credited and Units or dollars distributed, withdrawn or deducted therefrom in accordance with the terms of the Plan and the Trust Agreement. The aggregate Plan Benefit of all Account Participants shall in no event exceed the value of the assets of the Trust Fund and may be less than such value to the extent of any unallocated expense, reserve or similar account maintained as part of the Trust Fund.

(b) Investment Options and Investment Funds. All Plan loans shall be secured, as of the date of the Plan loan, by the sum of (i) the Participant’s Before-Tax Deferral Account and Roth Account (to the extent applicable) and (ii) the Participant’s Rollover Accounts, if applicable, provided, however, that no more than 50% of the aggregate value of such Participant’s Accounts shall be used as security for the Plan loan.

(f) Default. If a Participant fails to make any scheduled repayment of his or her Plan loan within the Loan Grace Period, such Participant shall be considered in default and the Administrative Service Agency shall declare a deemed distribution to have occurred with respect to such Plan loan, effective as of the date of the default and shall reduce the value of the Participant’s Plan Benefit by the amount of the deemed distribution. Notwithstanding anything in Section 7.3 to the contrary, a Participant who has defaulted on a loan made under the Plan shall not be eligible to obtain another loan hereunder until the defaulted loan and accrued interest has been repaid, and the new loan shall be subject to any other limitations required under Section 1.72(p) of the Treasury Regulations.

SECTION 8
DISTRIBUTIONS FROM THE PLAN AND OTHER ELIGIBLE RETIREMENT PLANS

8.1 Distributions to Participants.

(a) Eligibility for Distribution. A Participant will become eligible to receive a distribution of his Plan Benefit upon the occurrence of any of the following events: (i) the Participant’s Severance from Employment with the Employer; (ii) the Participant’s attainment of age 70½; provided, however, that for purposes of this Section 8, a Participant will be deemed to have had a Severance from Employment during any period he or she is performing service in the uniformed services described in Section 3401(h)(2)(A) of the Code. Except as otherwise provided in Section 7, a Participant may not receive distribution of his or her Plan Benefit at any time prior to the occurrence of one of the foregoing events.

(b) Distributions to Participants. Upon a Participant’s eligibility for a distribution pursuant to Section 8.1(a), the Participant shall be entitled to receive his or her Plan Benefit, which shall be paid in cash by the Trustee from the Trust Fund in accordance with one of the methods described in Section 8.1(c) and as of the commencement date elected by the Participant in accordance with the procedures prescribed Section 8.1(e).

(c) Distribution Options. Subject to Section 8.6, any payment made under this section shall be made in one of the following methods, as the Participant (or, in the case of the death of a Participant, his or her Beneficiary) may elect any of the following:

(i) A total or partial lump sum payment. Any partial lump sum payment shall be an amount of at least the Minimum Lump Sum Amount, and the number of partial lump sum payments in any Plan Year may not exceed the Maximum Annual Number of Partial Distributions.

(ii) Periodic monthly, quarterly, semi-annual or annual installment payments; provided, however, that a Participant (or, in the case of the death of a Participant, his or her Beneficiary) may elect to receive (A) an initial installment payment in a specified amount and (B) the balance of his or her Account in periodic monthly, quarterly, semi-annual or annual installment payments. Any installment payment made pursuant to Section 8.1(c)(ii) shall be at least the Minimum Installment Amount. If the balance of the Participant’s Account and Rollover Account is less than such amount, then the payment will equal the total amount of the Participant’s Account and Rollover Account. Installment payments may consist of (A) fixed amounts paid on each payment date as designated by the Participant (or in the case of the death of a Participant, his or her Beneficiary), or (B) formulaic amounts determined by the Administrative Service Agency, based on a fixed period designated by the Participant (or in the case of the death of a Participant, his or her Beneficiary), calculated by dividing the Plan Benefit on the date of the payment by the number of payments remaining during the fixed period.
(iii) A Participant who elects to receive installment payments or who is currently receiving installment payments pursuant to Section 8.1(c)(ii) may elect, subject to any limitations set forth by the Committee and in accordance with procedures established by the Administrative Service Agency, to receive a portion of his or her Account distributed in a lump sum; provided, however, that no lump sum payment shall be less than the Minimum Lump Sum Amount; and provided further, that the number of such elections in any Plan Year may not exceed the Maximum Annual Number of Partial Distributions, as set forth in Section 8.1(c) of Schedule A. Such lump sum payments shall not result in a discontinuation of subsequent installment payments; provided, however, that such subsequent payments may be redetermined in accordance with methods and procedures established by the Administrative Service Agency.

(iv) A Participant who is an eligible retired public safety officer, as defined in Section 402(l) of the Code, may elect, at the time and in the manner prescribed by the Administrative Service Agency, to have up to $3,000 per year (or such greater amount as may be permitted under applicable guidance issued by the Internal Revenue Service) of amounts from his or her Before-Tax Deferral Account distributable under the Plan used to pay qualified health insurance premiums for an accident or health plan or long-term care insurance contract covering the Participant and his or her spouse and dependents. Such amounts are excludible from the Participant’s gross income to the extent the qualified health insurance premiums are paid directly to the provider of the accident or health plan or long-term care insurance contract (determined in accordance with Section 402(l) of the Code) by deduction from a distribution to the Plan.

(v) For each distribution election under Section 8.1(c), a Participant shall designate the percentage of each distribution that will come from his or her Before-Tax Deferral Account and the percentage that will come from his or her Roth Account (to the extent applicable). For the avoidance of doubt, for purposes of the limitations and restrictions described in this Section 8.1(c), each distribution election made by a Participant and each payment made in accordance therefor shall be deemed to be one election and one payment, even if payment is made both from the Participant’s Before-Tax Deferral Account and from his or her Roth Account (to the extent applicable).

Notwithstanding the foregoing, a Participant may not elect an installment period extending beyond the longest of (A) his or her life expectancy, (B) if his or her designated Beneficiary is his or her Spouse, the life expectancy of the Participant and his or her Spouse and (C) if his designated Beneficiary is not his or her Spouse, the life expectancy determined using the applicable table contained in the applicable Treasury Regulation.

(d) Calculation of Payments.

(i) If a Participant elects a total lump sum payment, pursuant to Section 8.1(c)(i), the Participant’s Plan Benefit shall be determined as of the Valuation Date coincident with or last preceding the date on which the Plan Benefit is
withdrawn from the Investment Options and liquidated for distribution. Such liquidated amount (i) shall be held in the Trust Fund in a payment account maintained by the Trustee for this purpose and (ii) shall not be credited with interest or investment gains or losses following the date of liquidation.

(ii) If a Participant elects to receive a partial lump sum payment pursuant to Section 8.1(c)(i) or (iii), installment payments pursuant to Section 8.1(c)(i), or payment of qualified health insurance premiums for an accident or health plan or long-term care insurance contract covering the Participant and his or her spouse and dependents pursuant to paragraph Section 8.1(c)(iv), any remaining balance in such Participant’s Accounts shall continue to participate in the investment performance of the Investment Options in which such amounts are invested and to bear its allocable share of administrative and investment expenses until the Valuation Date coincident with or last preceding the date on which such Plan Benefit amounts are withdrawn from the Investment Funds and liquidated for distribution; provided, however, that the amount of the installments need not be redetermined to reflect changes in the value of the Account more frequently than annually. All such redeterminations shall be made by the Administrative Service Agency in accordance with procedures of uniform application. Any amount liquidated for purposes of an installment payment (i) shall be held in the Trust Fund in a payment account maintained by the Trustee for this purpose and (ii) shall not be credited with interest or investment gains or losses following the date of liquidation.

(e) Distribution Election. In the case of the Participant’s Severance from Employment with the Employer, a distribution election made by the Participant shall specify the form of payment as provided in Section 8.1(c) and the date on which payments shall commence; provided, however, that any such payments that would result in an account balance of less than $500 may not commence earlier than at the end of the Distribution Waiting Period; provided, further that the timing of any distribution must be in compliance with Section 8.6. Subject to Section 8.6, a Participant who is receiving distributions under the Plan may change both the timing and the method of payment elected subject to any limitations set forth by the Committee and in accordance with procedures established by the Administrative Service Agency.

(f) Rollover Accounts. Notwithstanding any other provision of Section 8.1, a Participant who has one or more Rollover Accounts shall be permitted to withdraw all or any portion of such Rollover Accounts at any time during a Plan Year; provided that such withdrawal shall be paid pursuant to a method of payment elected by the Participant in accordance with Section 8.1(c) and the value of such Rollover Accounts shall be determined in accordance with Section 8.1(d).

8.2 Distributions to Beneficiaries. If a Participant dies before distribution of his or her Plan Benefit has commenced, a distribution election made by the Beneficiary shall specify the form of payment as provided in Section 8.1(c) and the date on which payments shall commence. If a Participant dies at any time before his or her entire Plan Benefit has been distributed, then the Participant’s Beneficiary may make subsequent distribution elections as provided in Section 401(a)(9) of the Code. Notwithstanding the foregoing, any distribution to
a Beneficiary shall be made in accordance with the provisions of Section 401(a)(9) of the Code and Section 8.6.

8.3 Distributions to Alternate Payees. A distribution to an Alternate Payee may be paid in a single lump sum as soon as practicable following the qualification of the Qualified Domestic Relations Order and the close of all appeals to the Qualified Domestic Relations Order if the Alternate Payee consents to such lump sum distribution. In the event that the Alternate Payee does not consent to receive his or her distribution in a single lump sum as soon as practicable following the qualification of the Qualified Domestic Relations Order, the Alternate Payee may make an election to receive a distribution any time after the Earliest Retirement Date, subject to any requirements of Section 401(a)(9) of the Code and Section 8.1(c), by filing a distribution election specifying the form of payment as provided in Section 8.6 and the date on which payments shall commence.

8.4 Eligible Rollover Distributions.

(a) Participant Rollover Distributions. In connection with a Participant’s Severance from Employment, the Distributee may elect, at the time and in the manner prescribed by the Administrative Service Agency, to have all or any portion of the Participant’s Accounts that qualifies as an Eligible Rollover Distribution paid directly to the trustee of an Eligible Retirement Plan; provided that such other plan provides for the acceptance of such amounts by the trustee. The Plan shall provide written information to Distributees regarding Eligible Rollover Distributions to the extent required by Section 402(f) of the Code.

(b) Beneficiary Rollover Distributions. Upon a Participant’s death, a Beneficiary may elect, at the time and in the manner prescribed by the Administrative Service Agency, to have all or any portion of the Participant’s Accounts that qualifies as an Eligible Rollover Distribution paid directly to the trustee of an individual retirement arrangement (as defined in Section 7701(a)(37) of the Code) that is established for the purpose of receiving the distribution on behalf of such Beneficiary.

(c) Roth IRA Rollover Distribution. In connection with a Participant’s Severance from Employment or upon a Participant’s death, as the case may be, a Participant or a Beneficiary may elect, at the time and in the manner prescribed by the Administrative Service Agency, to have all or any portion of the Participant’s Accounts that qualifies as an Eligible Rollover Distribution rolled over to a Roth individual retirement arrangement (as defined in Section 7701(a)(37) of the Code, and designated as a Roth arrangement at the time of its establishment). Such amounts will be included in gross income as if the distribution had been made to such Participant or Beneficiary.

8.5 Withholding. The Trustee shall withhold or cause to be withheld from any amounts withdrawn or distributed all federal, state, city or other taxes as shall be required pursuant to any law or governmental ruling or regulation, including Treasury Regulations.

8.6 Required Minimum Distributions.

(a) In General. Notwithstanding any other provision of the Plan to the contrary, all distributions under the Plan shall be in accordance with the minimum distribution and timing
requirements of Section 401(a)(9) of the Code (including the incidental death benefit requirements of Section 401(a)(9)(G) of the Code) and the final Treasury regulations under Sections 1.401(a)(9)-2 through 1.401(a)(9)-9, which are incorporated herein by reference. Such provisions shall override any distribution options in the Plan that may be inconsistent with Section 401(a)(9) of the Code. Any distributions made pursuant to this Section 8.6 in order to comply with Section 401(a)(9) of the Code shall be charged against the Account or Accounts of the Account Participant in such manner as designated by the Account Participant in accordance with procedures established by the Administrative Service Agency; provided, however, that if no such designation is made, such distributions shall be charged first against the Before-Tax Deferral Account, second against the Roth Account (to the extent applicable), third against the Rollover Account or Rollover Accounts not relating to Rollover Contributions of amounts from a Qualified Roth Contribution Program, and fourth against the Rollover Account or Rollover Accounts relating to Rollover Contributions of amounts from a Qualified Roth Contribution Program.

(b) 2009 Waiver. Notwithstanding anything to the contrary in Section 8.6, an Account Participant who would have been required to receive required minimum distributions for 2009 but for the enactment of Section 401(a)(9)(H) of the Code (“2009 RMDs”), and who would have satisfied that requirement by receiving distributions that are (i) equal to the 2009 RMDs or (ii) one or more payments in a series of substantially equal distributions (that include the 2009 RMDs) made at least annually and expected to last for the life (or life expectancy) of the Participant, the joint lives (or joint life expectancy) of the Participant and the Participant’s Beneficiary, or for a period of at least 10 years, will not receive those distributions for 2009 unless the Participant or Beneficiary chooses to receive such distributions. Participants and Beneficiaries described in the preceding sentence will be given the opportunity to elect to receive the distributions described in the preceding sentence.

(c) Distributions During Participant’s Life. The Plan Benefit of a Participant shall be distributed (or commence to be distributed) to such Participant as soon as practicable after the Required Beginning Date. If the Participant has not made an election pursuant to Section 8.1(c) prior to such Required Beginning Date, then the Plan Benefit shall be distributed in the form of installment payments commencing on the Required Beginning Date.

(d) Death of a Participant Occurring on or Prior to December 31, 2021, and Before the Required Beginning Date.

(i) If, prior to December 31, 2021, a Participant dies before his Required Beginning Date, the remaining portion (if any) of such Participant’s Plan Benefit shall be distributed to his or her Beneficiary no later than December 31 of the calendar year containing the fifth anniversary of the Participant’s death (determined without regard to 2009), except as set forth in Sections 8.6(d)(i)(A) or (B) as follows:

before the later of December 31 of the calendar year immediately following the
calendar year in which the Participant dies or December 31 of the calendar year in
which the Participant would have attained age 72; provided, further, that if the
Surviving Spouse dies after the Participant but before distributions to the
Surviving Spouse commence, Section 8.6(d) (with the exception of Section
8.6(d)(i)(A)) shall apply as if the Surviving Spouse were the Participant.

(ii) The Beneficiary may elect to receive payment of the Plan Benefit as a
lump sum or in annual, monthly or quarterly installment payments.

(iii) If the Beneficiary is an individual and is not an Eligible Beneficiary and
the Participant dies before January 1, 2022, the remaining balance of the Plan

Required Beginning Date, and After Commencement of Distributions. If, prior to December 31,
2021, a Participant dies on or after the Required Beginning Date, but before his or her entire Plan

provided, however, that if a Beneficiary so elects, the Participant’s remaining Plan Benefit may
be paid to the Beneficiary at any time in a lump sum so long as the entire Plan Benefit is paid at
least as rapidly as it would be paid under Section 8.6(e)(i); and provided, further, that if the
Beneficiary is an individual and is not an Eligible Beneficiary and the Participant dies before
January 1, 2022, the remaining balance of the Plan Benefit must be distributed within the
remaining life expectancy of the Beneficiary, and, if the Beneficiary dies after January 1, 2022
and before the entire Plan Benefit is distributed, the remaining balance of the Plan Benefit must be distributed within 10 years of the Beneficiary’s death.

(f) Distributions After the Death of a Participant Occurring After December 31, 2021. If, after December 31, 2021, a Participant dies before his or her entire Plan Benefit is distributed to him or her, the unpaid portion of his or her Plan Account shall be distributed as follows:

(i) If the Participant has a Beneficiary who is an Eligible Beneficiary and an individual, the Eligible Beneficiary may receive distributions of the Beneficiary’s unpaid portion of Plan Benefit over his or her remaining life expectancy determined in accordance with applicable Treasury Regulations, provided that, if the Eligible Beneficiary dies, any remaining benefits must be distributed to his or her Beneficiary within 10 years of the Eligible Beneficiary’s death; and provided, further, that, if the Eligible Beneficiary is a minor child, any remaining benefits must be distributed within 10 years after such child reaches the age of majority; and

(ii) If the Participant has a Beneficiary who is not an Eligible Beneficiary but is an individual, the Beneficiary shall receive distribution of the Beneficiary’s unpaid portion of the Plan Benefit in its entirety within 10 years following the date of the Participant’s death; or

(iii) If the Participant has a Beneficiary who is not an individual, the Beneficiary shall receive distribution of the Beneficiary’s unpaid portion of the Plan Benefit in its entirety within five years following the date of the Participant’s death.

(g) Alternate Payee Accounts. In the case of any Alternate Payee Account, payments to the Alternate Payee must be made in accordance with the Plan and Section 401(a)(9) of the Code.

(h) 2020 Waiver. Notwithstanding anything to the contrary in Section 8.6, whether a Participant or Beneficiary who would have been required to receive required minimum distributions in 2020 (or paid in 2021 for the 2020 calendar year for a Participant with a required beginning date of April 1, 2021) but for the enactment of Section 401(a)(9)(I) of the Code (“2020 RMDs”), and who would have satisfied that requirement by receiving distributions that are either (1) equal to the 2020 RMDs, or (2) one or more payments (that include the 2020 RMDs) in a series of substantially equal periodic payments made at least annually and expected to last for the life (or life expectancy) of the Participant, the joint lives (or joint life expectancies) of the Participant and the Participant’s designated Beneficiary, or for a period of at least 10 years (“Extended 2020 RMDs”), will receive those distributions as determined in accordance with the option chosen by the employer in Schedule B. Notwithstanding the option chosen by the employer in Schedule B, a Participant or Beneficiary will be given an opportunity to make an election as to whether or not to receive those distributions. In addition, notwithstanding Section 8.4, and solely for purposes of applying the direct rollover provisions of the plan, certain additional distributions in 2020, as chosen by the employer in Schedule B, will be treated as
eligible rollover distributions. If no election is made by the employer in the adoption agreement, a direct rollover will be offered only for distributions that would be eligible rollover distributions in the absence of section 401(a)(9)(I) of the Code. To the extent there is a conflict between this Section 8.6(h) of the Plan and Section 401(a) of the Code, the provisions of the Code shall prevail.

8.7 **Special Proceeds.** If the Plan receives Special Proceeds (as defined below) that are allocable to an Account Participant who has received a final distribution of his or her entire Plan Benefit, then the Plan shall distribute such Special Proceeds to the former Participant, Beneficiary, or Alternate Payee (or in accordance with Section 9.2, if the Participant is deceased and no Beneficiary designation was in effect at the time of the Participant’s death, or to the estate of Beneficiary or Alternate Payee, as applicable, if such person is deceased) in a lump sum as soon as practicable after the Plan receives such Special Proceeds unless, at the time of such mandatory distribution, the value of such distribution would exceed $1,000. For purposes of Section 8.7, “Special Proceeds” means amounts attributable to a settlement of any dispute or controversy related to any of the assets previously attributable to any Account of the former Participant, Beneficiary, or Alternate Payee or any other amounts allocable under the Plan to a former Participant, Beneficiary, or Alternate Payee relating to an adjustment to the amount or value of any such Account.

8.8 **In-Plan Rollover to Roth Account.**

(a) A Participant who has not severed employment or a spousal Alternate Payee would be permitted to have all or any portion of the Participant’s Plan Benefit not otherwise distributable under the Plan, and not attributable to Roth Contributions or outstanding loans, directly rolled over into a separately maintained Account within his or her Roth Account. Any such amounts will be included in gross income as if the distribution had been made to such Participant or spousal Alternate Payee. After a Participant or spousal Alternate Payee has made an in-Plan rollover into a Roth Account, such Participant or spousal Alternate Payee may elect to take distributions from such Account in accordance with Sections 8.1 or 8.3.

(b) Upon any distribution event pursuant to which a Participant, a Beneficiary who is a Participant’s Surviving Spouse or a spousal Alternate Payee would be permitted to have all or any portion of the Participant’s Plan Benefit that qualifies as an Eligible Rollover Distribution rolled over into another Eligible Retirement Plan, such Participant, Beneficiary who is a Participant’s Surviving Spouse or spousal Alternate Payee may elect to have the portion of such Eligible Rollover Distribution that is not attributable to Roth Contributions or outstanding loans directly rolled over into a separately maintained Account within his or her Roth Account. Any such amounts will be included in gross income as if the distribution had been made to such Participant, Beneficiary who is a Participant’s Surviving Spouse or spousal Alternate Payee. After a Participant, Beneficiary who is a Participant’s Surviving Spouse or spouse Alternate Payee has made an in-Plan rollover into a Roth Account, such Participant, Beneficiary who is a Participant’s Surviving Spouse or spouse Alternate Payee may elect to take distributions from such Account in accordance with any of the distribution options set forth in Section 8.1(c).

(c) The provisions in Section 8.8 shall be administered in accordance with procedures established by the Administrative Service Agency and shall be interpreted and administered in
accordance with and subject to Section 402A(c)(4) of the Code and any rules, regulations or other guidance issued by the Internal Revenue Service in relation thereto.
SECTION 9
DESIGNATION OF BENEFICIARIES

9.1 Written Designation of Beneficiaries. Each Participant shall file with the Administrative Service Agency a written designation of one or more persons as the Designated Beneficiary who shall be entitled to receive the Plan Benefit, if any, payable under the Plan upon his or her death. A Participant may from time to time revoke or change his or her Designated Beneficiary designation without the consent of any prior Designated Beneficiary by filing a new written designation with the Administrative Service Agency. The last such designation received by the Administrative Service Agency “in good order” shall be controlling; provided, however, that no designation or change or revocation thereof shall be effective unless received by the Administrative Service Agency in good order prior to the Participant’s death, and in no event shall it be effective as of a date prior to such receipt. For purposes of Section 9, a Beneficiary designation shall be deemed to be received in good order only if (i) it is in a written or electronic format acceptable to the Administrative Service Agency and (ii) the Administrative Service Agency can reasonably identify the Beneficiary or Beneficiaries named in the designation.

9.2 No Beneficiaries Designated; Death of a Beneficiary. (a) If no such Beneficiary designation is in effect at the time of a Participant’s death, or if no designated Beneficiary survives the Participant, or if no designated Beneficiary can be located with reasonable diligence by the Administrative Service Agency, the payment of the Plan Benefit, if any, payable under the Plan upon the Participant’s death shall be made by the Trustee from the Trust Fund to the Participant’s Surviving Spouse, if any, or if the Participant has no Surviving Spouse, or if the Surviving Spouse cannot be located with reasonable diligence by the Administrative Service Agency, then to the deceased Participant’s estate (such Beneficiary hereinafter referred to as the “Default Beneficiary”). If the Administrative Service Agency is in doubt as to the right or entitlement of any person to receive such amount, the Administrative Service Agency shall inform the Committee and the Trustee, and the Trustee may retain such amount, without liability for any interest thereon, until the rights thereto are determined, or the Trustee may pay such amount into any court of appropriate jurisdiction or to any other person pursuant to applicable law and such payment shall be a complete discharge of the liability of the Trustee, Plan, Committee, Employer, Administrative Service Agency and Financial Organizations.

(b) If a Designated Beneficiary or Default Beneficiary dies after the death of the Participant but prior to receiving a complete distribution of the portion of the Plan Benefit that would have been paid to such Beneficiary had such Beneficiary’s death not then occurred, then, for purposes of the Plan, the distribution that would otherwise have been received by such Beneficiary shall be paid to the Beneficiary’s estate.

9.3 Surviving Spouse. Notwithstanding Section 9.2, a Beneficiary who is a Surviving Spouse of the Participant may designate a subsequent Designated Beneficiary, subject to the same filing requirements of Section 9.1, to the extent permitted under Section 401(a)(9) of the Code. To the extent such Surviving Spouse is not permitted or does not elect to designate a subsequent Designated Beneficiary pursuant to the preceding sentence, and the Surviving Spouse dies prior to receiving a complete distribution of the Plan Benefit that would have been paid to such Surviving Spouse had such Surviving Spouse’s death not then occurred, then, for purposes
of the Plan, the distribution that would otherwise have been received by such Surviving Spouse shall be paid to the Surviving Spouse’s estate.

SECTION 10
QUALIFIED DOMESTIC RELATIONS ORDERS

10.1 Qualified Domestic Relations Order. Payments with respect to a Participant’s Plan Benefit may be made by the Trustee from the Trust Fund to one or more Alternate Payees pursuant to the terms of a Qualified Domestic Relations Order. Upon segregation of the assets payable to an Alternate Payee in an Alternate Payee Account or the payment of such benefits to the Alternate Payee, any such amounts paid or segregated shall no longer constitute part of the Participant’s Plan Benefit. No liability whatsoever shall be incurred by the Committee, the Trustee, the Employer, the Administrative Service Agency, the Review Committee or any Financial Organization solely by reason of any act or omission undertaken in accordance with this section to comply with the terms of a Qualified Domestic Relations Order.

10.2 Suspension of Distributions During Claim Period. Subject to the discretion of the Administrative Service Agency or the Committee, no distribution of any Plan Benefit shall be permitted in any period during which a purported Qualified Domestic Relations Order claim, against all or part of such Plan Benefit, is being reviewed in accordance with the provisions of Section 11.8. If the Administrative Service Agency reasonably believes that a purported Qualified Domestic Relations Order against all or part of any Plan Benefit is likely to be asserted, the Committee may refuse to permit any distribution of all or part of such Plan Benefit pending determination of such claim.
SECTION 11
ADMINISTRATION

11.1 Plan Administration. Except as otherwise provided herein, the operation and administration of the Plan shall be the responsibility of the Committee and the Committee shall have all of the broad, general authority necessary or advisable to operate and administer the Plan. The Committee shall have the power and the duty to take all action and to make all decisions necessary or proper to carry out its responsibilities under the Plan. All determinations of the Committee as to any question involving its responsibilities under the Plan, including, interpretation of the Plan or as to any discretionary actions to be taken under the Plan, shall be solely in the Committee’s discretion and shall be final, conclusive and binding on all parties.

11.2 Committee Powers and Duties. Without limiting the generality of the foregoing, the Committee shall have the following powers and duties:

(a) to require any person to furnish such information as it may request for the purpose of the proper administration of the Plan as a condition to receiving any benefit under the Plan;

(c) to interpret the Plan and to resolve ambiguities, inconsistencies and omissions in the terms of the Plan or any document related to the Plan;

(d) to decide all questions concerning the Plan and the eligibility of any Employee or other individual to participate in the Plan;

(e) to determine the amount of benefits which shall be payable to any person in accordance with the provisions of the Plan;

(f) to enlarge or diminish any applicable time period set forth in the Plan, subject to applicable law; and

(g) to determine the methods and procedures for the implementation and use of any automated telephone, computer, internet, intranet or other electronic or automated system adopted by the Committee for purposes of Plan administration, including, for receiving and processing enrollments and instructions with respect to the investment of assets allocated to an Account Participant’s Accounts and for such other purposes as may be designated from time to time.

11.3 Limitation of Liability. Except as may be prohibited by applicable law, neither the Committee nor any member thereof shall be liable for (a) anything done or omitted to be done by it or by them unless the act or omission claimed to be the basis for liability amounted to a failure to act in good faith or was due to gross negligence or willful misconduct; (b) the payment of any amount under the Plan; or (c) any judgment or reasonable mistake of fact made by it or on its behalf by a member of the Committee. No member of the Committee shall be personally liable under any contract, agreement, bond or other instrument made or executed by him or her or on his or her behalf in connection with the Plan or Trust Fund.
11.4 **Trustee.** The Trustee shall have responsibility for the custody and safekeeping of the assets of the Plan and the Trust Fund and the valuation of such assets in accordance with the terms of the Trust Agreement and, in conjunction with the Administrative Service Agency, shall be responsible for implementing the aggregated investment decisions of Participants and beneficiaries by allocating the Plan assets to the various Investment Options. The Committee shall periodically review the performance and methods of the Trustee and the Committee may, subject to the terms of the Trust Agreement, appoint and remove or change the Trustee at any time for any reason or for no stated reason. If the Trust Agreement so provides, the Trustee may also serve as the Administrative Service Agency and perform the record keeping services normally performed by a third party Administrative Service Agency or may provide the services normally provided by a Financial Organization, *provided* that the Trustee otherwise qualifies as an Administrative Service Agency or a Financial Organization, as the case may be.

11.5 **Financial Organizations.** The Committee shall have the power to appoint or remove one or more Financial Organizations and to delegate to such Financial Organization(s) authority and discretion to manage (including the power to acquire and dispose of) the assets of the Plan and Trust Fund in accordance with the Regulations and the Plan. The Committee shall periodically review the performance and methods of such Financial Organization(s). The Committee has the right to (i) replace any Financial Organization or Investment Option with a successor Financial Organization or Investment Option or (ii) to select any additional Financial Organization or Investment Option.

11.6 **Delegation.** The Committee may delegate its general authority as it deems appropriate in accordance with the terms of the Plan and all applicable Code sections; *provided, however,* that such delegation shall be subject to revocation at any time at the discretion of the Committee. Notwithstanding any other provision of the Plan, the Committee’s general authority shall include the right to review, revise, modify, revoke, or vacate any decision made or action taken by any party under the Plan to whom authority of the Committee has been delegated or to whom authority with respect to the administration of the Plan or the custody and investment of the assets of the Trust Fund has been delegated or assigned under the terms of the Plan, by the Committee or otherwise. The rights of the Committee under Section 11.6 include, the right to review, revise, modify, revoke, or vacate any decision of the Administrative Service Agency or the Review.

11.7 **Plan Expenses.**

(a) **Assessment Against the Trust Fund.** Subject to 11.7(b), the expenses of administering the Plan, including (i) the fees and expenses of the Financial Organizations and Administrative Service Agency for the performance of their duties under the Plan, including any fees and expenses associated with a change, termination or addition of an Investment Option, (ii) the fees, if any, of any member of the Committee and any Trustee and the expenses incurred by the Committee or any of its members or any Trustee in the performance of their duties under the Plan (including reasonable compensation for any legal counsel, certified public accountants, consultants, and agents, employees of the Committee and cost of services rendered in respect of the Plan and the Trust Agreement (as provided therein)), and (iii) all other proper charges and disbursements of the Financial Organizations, Administrative Service Agency, the Committee or its members (including settlements of claims or legal actions approved by counsel to the Plan) or
any Trustee shall be allocated to and paid out of the assets of the Trust Fund in accordance with such allocation and payment procedures as the Committee shall establish from time to time. The Committee is authorized to levy a fee against the Accounts of Account Participants for the purpose of paying some or all of such expenses, except where the Employer elects to pay such expenses directly; provided, however, that any such fees shall be levied on a pro-rata basis from the Account Participant’s various Accounts at any given time, including Before-Tax Deferral Accounts, Roth Accounts (to the extent applicable), Rollover Accounts not relating to Rollover Contributions of amounts from a Qualified Roth Contribution Program, and Rollover Accounts relating to Rollover Contributions of amounts from a Qualified Roth Contribution Program.

(b) Investment Expenses. Unless the Committee determines otherwise, brokerage fees, transfer taxes and any other expenses incident to the purchase or sale of securities for any Investment Option shall be deemed to be part of the cost of such securities, or deducted in computing the proceeds therefrom, as the case may be. The Administrative Service Agency shall appropriately deduct any taxes assessed in respect of any assets held, income received, or transactions effected under any Investment Option proportionately against any Accounts that are invested in such Investment Option.

11.8 Review of Claims.

(a) Initial Claim of Rights or Benefits and Review. Any claim to rights or benefits under the Plan, including, any purported Qualified Domestic Relations Order, or request for an Unforeseeable Emergency Withdrawal must be filed in writing with the Committee, or with such other entity as the Committee may designate. Within sixty days after receipt of such claim, the Committee, or such other entity designated by the Committee, shall notify the claimant and, if such claimant is not the Account Participant, any Account Participant against whose Plan Benefit the claim is made, that the claim has been granted or denied, in whole or in part. Notice of denial of any claim in whole or in part by the Committee, or by such other entity designated by the Committee, shall include the specific reasons for denial and notice of the rights granted by Section 11.8.

(b) Review of Decision. Any claimant or Account Participant who has received notice of denial of grant, in whole or in part, of a claim made in accordance with the foregoing Section 11.8(a) may file a written request within thirty days of receipt of such denial for review of the decision by the Review Committee. Within ninety days after receipt of such request for review, the Review Committee shall notify the claimant and, as applicable, the Account Participant, that the claim has been granted or denied, in whole or in part; provided, however, that the Review Committee may in its discretion extend such period by up to an additional 120 days upon notice to the claimant and, as applicable, the Account Participant, prior to expiration of the original ninety days that such additional period is needed for proper review of the claim. Notice of denial of any claim in whole or in part by the Review Committee shall include the specific reasons for denial and shall be final, binding and conclusive on all interested persons for all purposes.

11.9 Advisers. The Committee shall arrange for the engagement of legal counsel and certified public accountants, who may be counsel or accountants for the Employer, and other consultants, including an investment adviser, and make use of agents and clerical or other
personnel, for purposes of this Plan. The Committee may rely upon the written opinions of
counsel, accountants and consultants, and upon any information supplied by the Trustee, a
Financial Organization or Administrative Service Agency appointed in accordance with the
Regulations.

11.10 Limitation on Committee Power. No member of the Committee shall be entitled to act on
or decide any matters relating solely to such member or any of his or her rights or benefits under
the Plan.

11.11 Committee Action. All actions of the Committee shall be taken at a public meeting in
accordance with Article 7 of the Public Officers Law. The Committee shall establish its own
procedures and the time and place for its meetings and provide for the keeping of minutes of all
meetings.

11.12 General Requirements. Notwithstanding any other provision hereof, the Plan shall at all
times be operated in accordance with the requirements of applicable law, including, the
Regulations.
SECTION 12
AMENDMENT OR TERMINATION

12.1 Power to Amend and Terminate. Subject to any requirements of State or federal law, the Employer reserves the right at any time and with or without prior notice to any person to amend, suspend or terminate the Plan, to eliminate future deferrals and contributions for existing Participants, or to limit participation to existing Participants, in whole or in part and for any reason and without the consent of any Employee, Account Participant, Beneficiary or other person. No amendment, suspension or termination of any provisions of the Plan or any deferrals or contributions thereunder, the Trust Agreement or any Investment Option may be made retroactively, unless such retroactivity is allowed under State law, the Code and other applicable law.

12.2 Termination of Plan. Upon any action by the Employer to initiate a Plan termination, the Employer shall permit no further deferrals or contributions of Compensation under the Plan, and the Plan termination shall become effective upon the distribution of all Plan Benefits. After taking an action to initiate a Plan termination, the Employer may distribute all Plan Benefits to Account Participants or the Employer may provide that Plan Benefits and other interests in the Trust Fund shall continue to be payable as provided in the Plan. Any distributions, transfers or other dispositions of the Plan Benefits as provided in the Plan shall constitute a complete discharge of all liabilities under the Plan. The Committee and the Trustee(s) shall remain in existence and the Trust Agreement and all of the provisions of the Plan that the Employer determines are necessary or advisable for the administration and distribution, transfer or other disposition of interests in the Trust Fund shall remain in force.
13.1 Plan Binding on Account Participants. The Plan, as duly amended from time to time, shall be binding on each Account Participant and his or her Surviving Spouse, heirs, administrators, trustees, successors, assigns, and Beneficiaries and all other interested persons.

13.2 No Right to Employment. Nothing contained herein shall give any individual the right to be retained in the employment of the Employer or affect the right of the Employer to terminate any individual’s employment. The adoption and maintenance of the Plan shall not constitute a contract between the Employer and any individual or consideration for, or an inducement to or condition of, the employment of any individual.

13.3 Incapacitation or Incompetence. If the Administrative Service Agency shall find that any person to whom any amount is payable under the Plan is unable to care for his or her affairs, is a minor, or has died, then any payment due to such person or his or her estate (unless a prior claim therefor has been made by a Beneficiary, Surviving Spouse or duly appointed legal representative or the time period during which a Beneficiary or Surviving Spouse could make a claim under the Plan has not elapsed) may, if the Administrative Service Agency so elects, be paid to his or her spouse, a child, a relative, or any other person maintaining or having custody of such person otherwise entitled to payment or deemed by the Trustee to be a proper recipient on behalf of such person. Any such payment shall be a complete discharge of all liability under the Plan therefor.

13.4 No Alienation of Plan Benefits. Except insofar as may otherwise be required by a Qualified Domestic Relations Order or applicable law, no amount payable at any time under the Plan shall be subject in any manner to alienation by anticipation, sale, transfer, assignment, bankruptcy, pledge, attachment, garnishment, charge or encumbrance of any kind, and any attempt to so alienate such amount, whether presently or thereafter payable, shall be void.

13.5 Notices to the Committee. All elections, designations, requests, notices, instructions, and other communications from the Employer, an Employee, an Account Participant, or any other person to the Committee, Administrative Service Agency or the Employer required or permitted under the Plan shall be in such form as is prescribed by the Committee, shall be mailed by first class mail or delivered electronically in such a form and to such location as shall be prescribed by the Committee from time to time, and shall be deemed to have been given and delivered only upon actual receipt thereof at such location. Copies of all elections, designations, requests, notices, instructions and other communications from an Employee, a Participant, a Beneficiary, a Surviving Spouse or any other person to the Employer shall be promptly filed with the Administrative Service Agency in such a manner specified by the Administrative Service Agency.

13.6 Notices to Participants. All notices, statements, reports and other communications from an Employer, the Trustee or the Committee to any Account Participant, shall be deemed to have been duly given when delivered to, or when mailed by electronic delivery or other form of delivery approved by the Committee or by first class mail, postage prepaid and addressed to such Employee, Account Participant, Beneficiary, Surviving Spouse or other
person at his or her address last appearing on the records of the Administrative Service Agency, the Trustee or the Employer.

13.7 **Trust Sole Source of Plan Benefits.** The Trust Fund shall be the sole source of benefits under the Plan and, except as otherwise required by applicable law, neither the Committee, the Employer nor any officer or employee of an Employer assume any liability or responsibility for payment of such benefits, and each Account Participant, his or her spouse or Beneficiary, or other person who shall claim the right to any payment under the Plan shall be entitled to look only to the Trust Fund for such payment and shall not have any right, claim or demand therefor against the Committee or any member thereof, the Employer, or any officer or employee of an Employer. Nothing in Section 13.7 shall relieve an Employer of its obligation to defer or contribute Amounts Deferred or Contributed to the Trust Fund within two Business Days after the applicable payroll date, in the manner contemplated by Section 4.1.

13.8 **Account Assets and Account Vesting.**

(a) **Account Assets Held in Trust Fund.** The entire value of each Account for each Account Participant shall be held in the Trust Fund pursuant to the Trust Agreement for the exclusive benefit of the applicable Account Participant and for paying reasonable expenses of the Plan and of the Trust Fund pursuant to Section 11.7 and no part of the Trust Fund shall revert to any Employer; *provided, however*, that the setting-aside of any amounts to be held in the Trust Fund is expressly conditioned upon the following: If an amount is set aside to be held in the Trust Fund by an Employer in a manner which is inconsistent with any of the requirements of Section 457(b) of the Code, such amount shall be returned to such Employer prior to the first day of the first Plan Year commencing more than 180 days after the date of notification of such inconsistency by the Secretary of the Treasury. Any amounts so returned to the Employer, and the earnings thereon, shall be remitted to the Participants on whose behalf such amounts were set aside.

(b) **Vesting.** Each Account Participant shall be 100 percent vested at all times in his or her Plan Benefit.

13.9 **Several Liability.** The duties and responsibilities allocated to each person under the Plan and the Trust Agreement shall be the several and not joint responsibility of each, and no such person shall be liable for the act or omission of any other person.

13.10 **Interpretation.** (i) The term “including” means by way of example and not by way of limitation, and (ii) the headings preceding the sections hereof have been inserted solely as a matter of convenience and in no way define or limit the scope or intent of any provisions hereof.

13.11 **Construction.** The Plan and all rights there under shall be governed by and construed in accordance with the Code and the laws of the State.
