The Library is now open on Tuesdays from 10:00am - 7:00pm as well as on Mondays and Wednesdays from 10:00am - 7:00pm and Fridays from 10:00am - 6:00pm.

Patrons may enter from the parking lot entrance. Hours and services will gradually expand in phases to ensure the safety of Library staff and community members. Find reopening hours, services and other details at www.bit.ly/your-library-at-home.

FACE MASKS STILL REQUIRED WHEN IN PUBLIC
Summer is here and some COVID-19 health safety restrictions are easing. One that is not - if you are within 6 feet of another person (indoors or out), or are in a building with other members of the public, you must be wearing a mask or other face covering. "Another person" means anyone other than those with whom you live.

If you are shopping at a grocery store, walking into a restaurant to have a meal or getting your hair cut, you need to be wearing a mask or other face covering. If you are walking on the canal path, you should
have a mask or face covering ready, and put it on, should another person approach you. The canal path is not wide enough to practice the 6-foot distancing needed to keep you and others safe.

For the past four months we’ve all been working together to keep the pandemic from spreading beyond our means to contain it. Halting our efforts now exposes us to the very risk we have worked so hard to avoid. Please - for yourself, for others, for reaching more quickly a future where we won't need masks - wear you mask when in public.
