If you are driving nearby while these events are underway please use caution and be aware of pedestrians and cyclists.

We remember - today, and every day.

COMPREHENSIVE PLAN PUBLIC HEARING IS THIS TUESDAY

Draft Comprehensive Plan available online, hard copies for viewing at Town Hall & Library

After an extensive and exhaustive process, Pittsford's Comprehensive Plan Update is ready for final review by our residents. The last of two public hearings is this Tuesday, September 17. The hearing will be held at 6:00pm in the public meeting room at Town Hall, 11 South Main Street, during the regularly scheduled Town Board meeting.

The proposed [final draft of the Plan is posted online](#) and available for review at www.pittsfordplan.com. The Town set up this website in 2015 to provide residents with continually updated information and to provide a convenient way for residents to share their advice and ideas about the Plan. Hard copies of the draft plan are available for viewing at Town Hall and at the Pittsford Community Library (24 State Street).

The proposed Comprehensive Plan reflects work over several years by our citizens' Steering Committee and our consultant. It incorporates ideas suggested, reviewed and approved by our residents through the public engagement sessions and otherwise. A general rule of thumb calls for municipalities to revise their comprehensive plan about once every 10 years. Pittsford completed its last update in 2009.

We look forward to hearing your further comments and finalizing this plan of such importance to Pittsford's future.

FOOD TRUCK & MUSIC FEST IS THIS SATURDAY, 12-9PM

The Town of Pittsford's Food Truck & Music Fest returns to Main Street on Saturday, September 14 from 12noon to 9pm. An end-of-the-summer celebration for the whole family, the festival takes place from the Four Corners (Monroe/State streets) to Locust Street.

The fest features a **variety of food** from mobile cuisine vendors and local eateries, **live music** all day, **family activities**, **amusement rides**, **children's entertainment**, the **Willard Farm Stand**, a **wine and beer garden**, shopping at Village merchants, and a **fantastic fireworks display** to end the night. For complete information, including site and parking maps, activities and entertainment schedule, and food vendor list, visit our [Pittsford Food Truck & Music Fest webpage](#).

The music kicks off at noon - join us for your favorite cover songs with **Acoustic Brew**. At 2:30pm it's classic rock with **Mudd Creek**, then **Mike Powell & The Black River** bring folk and soul to the stage from 4:30 - 6:30pm. And don't miss one of the best party bands ever - **headliner Allegro** takes the stage from 7:00-9:00pm, immediately followed by our **fireworks display** over the canal, sponsored in part by NY State Assemblywoman Marjorie Byrnes.

From wraps, crepes, sandwiches, veggie burgers and Latin American inspired sushi to poutine, meatballs, pizza, mac and cheese, treats, desserts and more, you'll find plenty of delicious food throughout the day. You can also pick up fresh produce from Pittsford's Willard Farms at our mini Farmer's Market from 12:00 - 6:00pm on Church Street.

Many thanks to our generous 2019 Pittsford Food Truck & Music Fest sponsors, including major event partners Pittsford Federal Credit Union and Wilmorite, event partner YMCA of Greater Rochester and our fireworks co-sponsor NY State Assemblywoman Marjorie Byrnes.

AT THE LIBRARY: NATIVE AMERICAN HISTORY ON 9/22 AND HISTORIC PRESERVATION ON 9/23

There are some fascinating programs about history and preservation coming up at the Pittsford Community Library. The "**Native American History in Your Backyard**" series features Ganondagan volunteer Harvey Limbeck, who will present this series about the Haudenosaunee (Iroquois) history, culture, and living traditions that express universal ideals of peace, cooperation and respect for each other and the natural world. Ganondagan, located in Victor, is the only New York State Historic Site dedicated to Native Americans - specifically, to the Seneca and Haudenosaunee people.

The series begins Sunday, **September 22 with "The Iroquois Confederacy"** - a discussion about the confederacy's origin, the lifestyle of its residents, their interaction with European settlers, the fur trade, and the destruction of Ganondagan by the French. The program will be held from 2:00 - 3:30pm in the Fisher Meeting Room. The second presentation in the series is Sunday, **November 3, featuring "The Iroquois in Conflict"** and covers the various engagements between 1650 and 1790, the locales, unusual tactics, individual leaders and the significant consequences for the combatants. It will be held from 2:00 - 3:30pm in the Fisher Meeting Room.

Then, learn about "**Preservation in Today's World**" on **Monday, September 23** - a program co-sponsored by [Historic Pittsford](#) that proves historic preservation relates to the future as much as it relates to the past. Participants will learn the basics of historic preservation as well as the challenges and impacts of preservation in today's world. The program is presented by Wayne Goodman, executive director of the Landmark Society of Western New York, one of the nation's oldest and most active preservation organizations. The program will be held from 7:00 - 8:30pm in the Fisher Meeting Room.

The programs are free and open to the public; no registration required. The Pittsford Community Library is located at 24 State Street. For information about other upcoming Library programs, visit the [Library's online program calendar](#) or call 249-5481.
