MESSAGE FROM SUPERVISOR SMITH: CAR WINTER EMERGENCY KIT

While I'm sure most would prefer to ease into winter, this week's early snow storm had one benefit: it reminds us to be prepared for the season. Snow and ice covered roads can make travel difficult and even dangerous. If you're on the road in these conditions, be sure to leave extra space between you and the vehicle in front of you, and allow extra time for travel.

The National Weather Service suggests keeping winter emergency supplies in your car. Suggested items include jumper cables, spare tire, flares, sand or kitty litter, tow rope, blankets, snow shovel and brush, flashlight, mittens, hat, boots, warm clothes, water, snacks, cell phone charger, and first aid kit. Traveling with a full tank of gas is also a good idea. You'll be able to run your car and keep warm if you end up stuck in the snow, and the weight of a full tank can help stabilize your vehicle on slippery roads.

Paying attention to weather reports and following travel advisories can help you avoid some winter travel issues. Be aware and stay safe! We'll do our part to help keep roadways safe and accessible.

SEASONAL PARKING RESTRICTIONS IN EFFECT THROUGH APRIL 1, 2020

In order to facilitate snow removal, Town of Pittsford seasonal parking restrictions are in effect from November 15 (this Friday) through April 1, 2020. Parking of any vehicle on public roads - including state highways and on the shoulder of all roads - is prohibited each year from November 15 through April 1 in all areas within the Town and outside of the Village. During this time, please don't park on or along public roads outside of the Village. Please note violators may be ticketed or towed.

When the snow flies, we need roadways clear of vehicles so our plows can get through. This is especially true in neighborhoods, where the streets are narrower. Vehicles parked along the roadside can hinder plows accessing your neighborhood. Please help us keep our streets safe and accessible!

SUPERVISOR'S PROPOSED BUDGET FOR 2020 CUTS TAXES - PUBLIC HEARING THIS TUESDAY

A public hearing on the Proposed 2020 Town Budget will be held in the Town Hall meeting room this Tuesday, November 19 at 6:00pm. This is an important opportunity for Pittsford residents to advise the Town Board and comment on the proposed budget. Residents are encouraged to attend. Supervisor Smith's
proposed 2020 budget cuts the Town tax rate and reduces the overall Town tax levy for the second consecutive year. Over the two years, it cuts the Town tax rate by over 8% while maintaining and improving Town services.

TOWN LEAF COLLECTION CONTINUES - PLEASE KEEP LEAVES OUT OF ROADWAYS
The early snow storm this week means leaves will be a bit more of a challenge to gather but Town leaf collection continues. Our crews will be in your neighborhood to remove leaf piles placed at the edge of roadways but not on the shoulder. Use our online Leaf Collection App to see when leaf crews will be in your area. Find it, and more information, on our Leaf and Yard Debris Collection web page at www.townofpittsford.org/home-leaf_collection.

Please remember: State and Town law both prohibit placing leaves and yard debris in the road and its shoulder. Please be sure to place leaf piles and yard debris (separated from leaves) at the edge of the road but not in it and not on the shoulder of the road. Leaves and debris on the shoulder can blow or be pushed into the road by snow plows and become a hazard for pedestrians, bicyclists and drivers, and can clog storm water drains, causing flooding.

EMERGENCY CLOSINGS INFORMATION
In the case of major weather events or other emergencies, information about facility closings and program/event cancellations will be announced on the Town's website www.townofpittsford.org, Facebook page Town of Pittsford, and Twitter feed @pittsfordtown, as well as on local television and radio stations and Pittsford's Cable TV 12 Channel 1303 government access station. TV-12 Channel 1303 announcements can be viewed live any time via the TV-12 Channel 1303 page on the Town website.

REFUSE DISTRICT INFORMATION ON TOWN WEBSITE
In response to interest expressed by residents, the Town has enabled residents to create refuse districts for their neighborhoods. Creating a refuse district means potentially lower cost to residents for trash collection and would reduce garbage truck traffic on residential streets to one visit, once a week. Setting up a Refuse District and setting the boundaries of the district are entirely up to the residents of a district - this is an optional program. The residents decide the boundaries of the district, then inform the Town of their decision. The Town will guide interested residents through the process. Find complete information about setting up a Refuse District at www.townofpittsford.org/refuse-districts.
