PITTSFORD YOUTH SERVICES CELEBRATES 50TH ANNIVERSARY

Pittsford Youth Services recently officially celebrated a milestone anniversary - 50 years of service to the Pittsford community - with a gathering of friends, family, PYS Board members and staff (past and present), donors and sponsors, and local community leaders. The Town of Pittsford is proud of its long-standing partnership with PYS and thankful for the critical programs and services PYS offers to the families and young people of our community.

Pittsford Youth Services provides confidential, professional and affordable social work and counseling services to the youth and families of Pittsford. PYS social workers can be found in every Pittsford Central School District school, as well as at the St. Louis School, working alongside counselors and teachers and helping to support children at all grade levels. PYS also provides family counseling and a variety of parenting education programs. Find more information about this important and impactful community organization on their website at www.PittsfordYouthServices.org.

SPIEGEL PITTSFORD COMMUNITY CENTER PROJECT AWARDS & RECOGNITIONS

Pittsford was proud to be one of five finalists for the **2019 Reshaping Rochester Robert Macon Urban Innovation and Activism award**. Our nomination for the Spiegel Pittsford Community Center project recognized the Community Center's excellence in design and the facility's enrichment of the public realm. It was truly an honor to be nominated!

Our renovated and restored Community Center previously has received two awards for the project's design and impact. In June we were honored with the **2019 Architectural Design Excellence Award from**

the American Institute of Architects - Rochester Chapter, which celebrates the best in contemporary architecture and highlights the many ways buildings and spaces can improve our lives. In November of last year we received **2018 Exceptional Facility Design Award presented by the Genesee Valley Recreation and Parks Society**.

The awards and nomination are each a valued recognition of the efforts made by our project partners, Community Center Citizen Committee and Town staff and board members as they worked together to implement an innovative approach to updating and expanding the Spiegel Pittsford Community Center. Preserving a historic landmark, keeping our Community Center in the heart of our community, and providing a top-notch, accessible, energy-efficient recreation facility to our residents is something about which we can all be proud!

SEASONAL PARKING RESTRICTIONS IN EFFECT THROUGH APRIL 1, 2020

In order to facilitate snow removal, Town of Pittsford seasonal parking restrictions are in effect from November 15 (this Friday) through April 1, 2020. Parking of any vehicle on public roads - including state highways and on the shoulder of all roads - is prohibited each year from November 15 through April 1 in all areas within the Town and outside of the Village. During this time, please don't park on or along public roads outside of the Village. Please note violators may be ticketed or towed.

When the snow flies, we need roadsides clear of vehicles so our plows can get through. This is especially true in neighborhoods, where the streets are narrower. Vehicles parked along the roadside can hinder plows accessing your neighborhood. Please help us keep our streets safe and accessible!
