OTHER BUSINESS

Supervisor Smith noted that the first scheduled meeting in December coincides with the Chamber of Commerce’s Candlelight Night and that traditionally the Town Board has scheduled its first meeting in December to avoid conflict with the event. He made a motion to change the meeting date from Tuesday, December 7 to Wednesday, December 8, seconded by Councilmember Townsend, and voted on by members as follows: Ayes: Koshykar, Munzinger, Townsend and Smith. Absent: Beckford. Nays: none.

Spencer Bernard, Chief of Staff, updated the Board on farming and farming practices within the Town. His report covered a brief history of notable family farms in the area. It included observations and insights from Pittsford farmers, including their use of fertilizers and synthetic pest-control measures, all in strict accordance with the State Department of Environmental Conservation requirements, including its training requirements. Pittsford’s farmers are highly attuned to using best practices on the land, since the land is their livelihood and they would not use any fertilizers or synthetic substances other than with strict safety, since their own families live on that land. Board members discussed organic farming, including the Town’s initiatives in 2015 and 2016 to invite organic farmers to lease Town-owned lands suitable for cultivation, cover crops, farm leases and soil and water conservation guidelines.

Councilmember Townsend offered follow up comments on both the RG&E and composting presentations from the last meeting and discussed with fellow board members what their next steps should be. Councilmember Townsend mentioned upon reflection of previous discussions that creating a Town pesticide policy or statement aligned with our current pesticide plan/usage would be beneficial. Supervisor Smith acknowledged a policy is in place and was added to the Town website, he will forward that information to board members.

PUBLIC COMMENTS

Kathleen Fitzpatrick and Annalise Johnson offered comments.

With no further business, the meeting adjourned at 7:26 p.m.

Respectfully submitted,

Renee McQuillen
Town Clerk
