Town of Pittsford – Insurance Renewal Review

Review Date: July 15, 2025

Executive Summary

Every three years the Town solicits multiple quotes from the insurance market to ensure it is buying the most favorable coverage at the most competitive cost. This year's insurance renewal (25-26) was one of those years where alternative offers were solicited in conjunction with the Broker/Advisory team at Brown & Brown. The town invested time and resources in completing additional applications and working with Loss Control representatives from various carriers and programs to secure competitive terms. The Town of Pittsford's risk profile, favorable loss history, and favorable risk management strategies generated interest from all carriers and programs who specialize in Public Risk. Many of these carriers and programs require their own loss control visits and proprietary applications. After diligent effort the Town's efforts were dedicated on three options – HCC (incumbent carrier), Travelers, and Trident, all who returned quote options for review.

These three options were reviewed by the Brown & Brown team and a recommendation was made based on cost but also coverage. The lowest cost option was not selected due to a significant coverage deficiency. Table below reflects the expiring premium with HCC and CFC (cyber) along with their renewal premiums. The proposed option is underwritten by Trident/Paragon for the Package, and Coalition for Cyber Liability. The cyber liability was marketed extensively by the Brown & Brown team. As the market for Cyber Liability has softened (become more competitive), more favorable pricing and terms can be achieved. Therefore, the Brown & Brown team recommended buying an additional \$1M in cyber liability limit since the premium for that limit was still lower than the cost of the expiring \$1M limit. This option also reduces the Town's cyber liability deductible from \$25K to \$10K per claim.

	24-25 Expiring HCC & CFC	25-26 Renewal HCC & CFC	25-26 Proposed*
Package Premium	\$ 246,787.00	\$ 271,553.00	\$ 249,208.00
NYS Fees	\$ 954.56	\$ 986.21	\$ 1,625.25
Total Package	\$ 247,741.56	\$ 272,539.21	\$ 250,833.25
Cyber Liability*	\$ 13,250.00	\$ 13,295.00	\$ 12,352.04
Total Insurance Cost	\$ 260,991.56	\$ 285,834.21	\$ 263,185.29

**Proposed coverage offered through Trident (Paragon Programs) and Coalition Cyber.*

The proposed coverage removes the \$5,000 per claim deductible on General Liability Indemnity losses. General Liability will provide first dollar coverage. Cyber Liability limit increased from \$1M to \$2M. All other coverages meet the requirements of Brown & Brown's coverage template.

Recommendation to move from Houston Casualty/CFC to Trident/Coalition will save the Town \$22,649.92 (approximately 9%) for the policy year. All insurance is provided by carriers rated A or better by A.M. Best.

Remarketing the program will take place in three years or earlier depending on how the program performs, or if insurance market conditions warrant.

On behalf of the entire Team at Brown & Brown, I would like to thank the Town of Pittsford for trusting us to serve you. I'm available for any questions by phone or email. My contact info is below.

Sincerely,

Andre Valente

OTHER BUSINESS

Supervisor Smith shared a further update on the highway employee union certification. The union has provided union signature cards and a certification of authorization to the PERB. They are verifying the signatures, and our legal counsel advises the certification of the union is imminent. Once this happens board members should meet with Town legal counsel regarding the next steps. Timing of that meeting will depend on when certification occurs.

Councilmember Townsend thanked staff for adding lighting district information to the Town website and asked, if possible, to add sewer and park district information as well.

Councilmember Koshykar asked where the Town was with website updating to a .gov. Supervisor Smith stated the Town has procured a .gov website.

Minutes of the Pittsford Town Board for June 3, 2025

Councilmember Havannavar questioned if there have been any inquiries from developers since the passage of the updated zoning code allow for mixed use spaces in the Monroe Ave corridor. The Supervisor noted that there have not been any such inquiries and that redevelopment of Monroe Avenue along the lines now permitted by our revised Zoning Code is something that we can expect to occur over time. It was suggested that partnering with the Pittsford Chamber of Commerce for an informational session could be useful.

On a motion by Deputy Supervisor Taylor, seconded by Councilmember Havannavar, the Board cancel the regular Town Board meeting scheduled for Tuesday, July 1. The motion was voted on by members as follows: Ayes: Havannavar, Koshykar, Taylor, Townsend, and Smith. Nays: none.

PUBLIC HEARINGS

LOCAL LAW NO. 3 OF 2025: REAL PROPERTY TAX LEVY FOR 2026 IN EXCESS OF TAX LEVY LIMIT

Supervisor Smith gave a brief explanation of the New York Tax Cap Law. When paying for refuse district residents pay the town and the town pays the refuse provider. This counts as a tax for the town

Minutes of the Pittsford Town Board for June 17, 2025

which makes the town bust the tax cap, even though the town does not raise taxes. Supervisor Smith opened the public hearing and asked if anyone wanted to speak. Igor Kashtan commented and with no other comments offered Supervisor Smith declared the public hearing closed.

NEW 2026 REFUSE DISTRICTS

Supervisor Smith opened the public hearing for proposed refuse districts and asked if anyone wanted to speak. Residents David Rubin, Ray Mulvehill, Bob Hyman, John Robins and Bill Gardner offered comments. With no one else wishing to speak, Supervisor Smith declared the public hearing closed.

LEGAL MATTERS

LOCAL LAW NO .3 OF 2025: REAL PROPERTY TAX LEVY FOR 2026 IN EXCESS OF TAX LEVY LIMIT:

The Supervisor noted that provisions of the State's "Tax Cap law" mean that, without any tax increase whatsoever, the Town now routinely exceeds the cap every year on the basis of the Refuse Districts alone. This is because, although residents of Refuse Districts now pay substantially less for trash collection, they pay it not to the trash hauler but to the Town. The Town then pays the trash hauler. Yet because payment by Refuse District residents go the Town, it falls within the Tax Cap law's definition of a "tax." The Town Board must now either vote every year to exceed the Tax Cap, or end the Refuse District program. The Town Attorney confirmed that voting on exceeding the Tax Cap is a binary choice; that a municipality exceeds it or doesn't, with no provision in the law for exceeding it only to a certain extent.

A motion to approve Local Law No. 3: Real Property Tax Levy for 2026 in Excess of Tax Levy Limit, was offered by Deputy Supervisor Taylor, seconded by Councilmember Havannavar, and voted on by members as follows: Ayes: Havannavar, Koshykar, Taylor, Townsend, and Smith. Nays: none

The Town Attorney noted minor typographical corrections needed in three places in the Local Law No.3 of 2025. The changes are on the second page, second sentence, should read Local Law No.3 (instead of 6), on the seventh line should be Local Law No .3(instead of 5), and on line fourteen which should read year 2025 instead of 2024. Supervisor Smith then made a motion to approve the corrections as indicated to Local Law No.3 of 2025(Tax Cap Override Resolution), nunc pro tunc, seconded by Councilmember Townsend, and voted on by members as follows: Ayes: Havannavar, Koshykar, Taylor, Townsend, and Smith. Nays: none

The Resolution was declared carried as follow:

WHEREAS, true and correct copies of proposed Local Law No. 3 of 2025: Real Property Tax Levy for 2026 in excess of Tax Levy Limit, were delivered to all members of the Town Board of the Town Board, New York, more than seven (7) calendar days, exclusive of Sunday, prior to the 17th day of June, 2025; and

INTERMUNICIPAL AGREEMENT WITH VILLAGE AND FIRE DISTRICT FOR PARKING LOT

Supervisor Smith noted that the proposed agreement refers to the former Bank of America parking lot, now owned by the Pittsford Fire Department. The Fire Department seeks an intermunicipal agreement among it, the Town and the Village for operation and maintenance of the space as a public parking lot.

Councilmember Townsend asked why such an agreement is necessary and why is the Town getting involved. Commissioner of Public Works Paul Schenkel advised that this would share the maintenance of parking lot and provide additional parking for Town hall staff as well as the public.

Councilmember Koshykar questioned reference to security monitoring services in the proposed agreement. Following discussion the Town Board amended the form of agreement to remove the reference. It was noted that the Village and Fire Department would need to agree to the amendment.

Supervisor Smith made a motion to approve the Agreement as amended, seconded by Councilmember Townsend, and voted on by members as follows: Ayes: Havannavar, Koshykar, Taylor, Townsend, and Smith. Nays: none

Minutes of the Pittsford Town Board for June 17, 2025

MEMORANDUM

To: Pittsford Town Board

From: Paul Schenkel - Commissioner of Public Works

Date: July 8, 2025

Regarding: Buffalo Bills Training Camp Parking Restrictions

For Meeting On: July 15, 2025

Ladies and Gentlemen:

St. John Fisher University will host the Buffalo Bills Football Training Camp once again, this year from July 23, 2025 through August 8, 2025. Numerous residential streets are in close proximity to the University. All are two lane roads, varying in width from 18 feet to 22 feet. Each year the camp creates excessive demand for parking on these streets. Pursuant to Section 1660 of the Vehicle and Traffic Law, the Town may prohibit, restrict or limit the stopping, standing or parking of vehicles on roads within the Town other than state highways. Without such restriction, excessive parking would obstruct police, fire, and ambulance services from accessing these streets. Therefore, each year the Town restricts parking on these streets during the Bills camp. I recommend it do so again this year. Also each year, the Town issues permits to residents of the affected streets that allow them to park on the street notwithstanding the general restrictions.

In the event the Town Board determines that the proposed action should be taken, the following Resolution would be appropriate:

Resolved, that from the period beginning on July 23, 2025 and terminating on August 8, 2025, from 7:00 A.M. until 3:00 P.M., parking, stopping or standing shall be prohibited unless authorized by permit on the following named streets:

- Allen Parkway
- Alpine Drive
- Bretton Woods Drive
- Crestline Road
- Ellingwood Drive (Overbrook Road to East Avenue)
- Harwood Lane
- Kilbourn Road (East Avenue to 450 Kilbourn Road)
- Lochnavar Parkway
- Overbrook Road (Ellingwood to 450 Kilbourn Road)
- Shelwood Drive
- Sylvania Road
- Wayside Circle

Further Resolved, that the Supervisor or his designee is authorized to prohibit parking, stopping or standing on the following additional streets, unless authorized by permit, beginning on July 23, 2025 and terminating on August 8, 2025, from 7:00 A.M. until 3:00 P.M. should that become necessary or desirable during the Buffalo Bills Camp:

Country Club Drive
Ellingwood Drive
Kilbourn Road
Maywood Avenue
N. Country Club Drive
Overbrook Road
Pine Acres
San Rafael
Stoneleigh Court

Further Resolved, that, notwithstanding the restrictions stated above, the Town will issue to residents of each affected street a permit or permits to park on the street where they live, upon request by the resident; and be it

Further Resolved, that these restrictions will be enforceable upon the proper and adequate posting of signs on all of these streets herein designated to give notice to all motorists using any of the said streets that parking, stopping or standing is prohibited on that side of the said streets so designated by the said signs; and be it

Further Resolved, that any vehicle parked in violation of this resolution may be towed at the owner's expense; and be it

Further Resolved, that a violation of this resolution shall constitute an offense and shall be punished by fine not to exceed Twenty-five Dollars (\$25.00).

Regarding: East Rochester Annexation Request for Northside Salvage Expansion

For Meeting On: July 15, 2025

The Town/Village of East Rochester has requested the Town of Pittsford to provide East Rochester with a letter of support for the proposed annexation of several small tax parcels on the north side of Linden Avenue within Pittsford to East Rochester. You'll recall discussing this briefly at a recent Town Board meeting.

A copy of East Rochester's July 1, 2025 letter request is attached for your review. Also attached is a copy of a letter, dated March 25, 2025, from a surveyor for Northside Salvage Yard, the owner of the parcels subject to annexation, to make clear that the purpose of this proposed annexation is to facilitate the expansion of this salvage operation land use.

As you know, the Town's only Light Industrial District is formed around the Linden Avenue corridor. Town Code § 185-47 provides that the intended purpose of the Light Industrial District is to "accommodate light industrial uses and specific business uses ... minimize potential adverse effects on other nearby uses; reduce potential use conflicts; and strengthen the economic vitality and attractiveness of the Industrial District." Town Code § 185-48 defines "light industrial use" as "a material-handling, processing, assembly, manufacturing, research, warehouse or similar facility *where all input, output, operations and storage are wholly conducted within enclosed buildings* and which meets the other performance standards of the district (emphasis added)." Town Code § 185-49(g) allows "Automobile/truck sales, servicing, rental, washing, repair and refinishing *that does not include salvage operations* (emphasis added)." Hence, Northside Salvage Yard, which started its business in Pittsford decades ago before the current zoning code was adopted, operates its salvage yard within Pittsford as a pre-existing non-conforming use. Such uses may be continued, but not expanded, at least not in Pittsford.

The potential adverse effects of the expansion of Northside's salvage operations, even if that expansion took place in East Rochester, would not be limited to East Rochester. The properties in Pittsford to the north, west, and east of the expansion area would likely have diminished "economic vitality and attractiveness." See copy of color overhead aerial map also annexed. Once that expansion is allowed, it cannot be prohibited.

I note that according to our assessor, the annual Town taxes (just Town, not County or School taxes) on all of the parcels identified for annexation is the minimal sum of \$1,132.76.

As much as we are inclined to be accommodating to our municipal neighbors, these are strong reasons for declining East Rochester's requested annexation, based on our policies disfavoring this particular land use and its expansion.

The Honorable William A. Smith Jr.,
Town of Pittsford
11 S. Main Street
Pittsford, NY 14564

Dear Supervisor Smith,

I am writing on behalf of the Mayor Alfieri and the Town/Village Board of East Rochester in regards to the potential annexation of the Sebastian properties from the Town of Pittsford to the Town/Village of East Rochester. At the conclusion of a presentation made by LandTech on behalf of owner John Sebastian which took place at the June 12th business meeting a motion was made by Trustee Mark McDermott, seconded by Trustee Kelley Swagler and unanimously approved to provide the Town of Pittsford with a letter of support.

The Board agreed after hearing the presentation that a sound case was made to assist the owner with the redevelopment of this area on the northside of East Rochester as well as to clean up the borders between our two communities. In addition, the approval process would be streamlined by having one governmental board vs. two. Please let us know if you are in agreement to proceed and when a joint public hearing can be scheduled. We will ask our municipal attorney, Dan Bryson to work with your legal counsel to iron out the details.

Given the importance of this redevelopment, we hope you will give this request your full consideration. If you or your staff have any questions, please do not hesitate to contact me at (585) 586-3553 or by email at mdambrose@eastrochesterny.gov.

Sincerely,

Attn: Mr. William A Smith, Jr – Supervisor

RE: Northside Salvage
Linden Avenue
Annexation Request

Supervisor Smith & Honorable Town Board Members:

On behalf of the owners of Northside Salvage Yard, we respectfully submit the following materials for your consideration regarding the annexation of several parcels of land from the Town of Pittsford into the Town/Village of East Rochester. Please find attached the following documents for your review:

Subject Properties

956 Linden Ave	Tax # 139.13-2-3	0.5 acres	Town of Pittsford
954 Linden Ave	Tax # 139.13-2-2	0.6 acres	Town of Pittsford
952 Linden Ave	Tax # 139.13-2-1	0.4 acres	Town of Pittsford
946 Linden Ave	Tax # 138.16-1-6	0.3 acres	Town of Pittsford
944 Linden Ave	Tax # 138.16-1-7	0.5 acres	Town of Pittsford
940-942 Linden Ave	Tax # 138.16-1-8	0.5 acres	Town of Pittsford

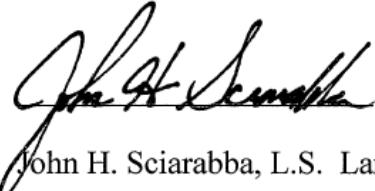

Northside Salvage Yard has been a locally owned and family-operated business in the East Rochester community for over fifty years. Over that time, they have acquired all adjacent properties surrounding the business operation at 954 Linden Avenue. Most recently, they purchased 962 Linden Avenue in East Rochester, a 10.7+/- acre parcel, which has prompted plans for significant upgrades to the business and land use. These proposed improvements include:

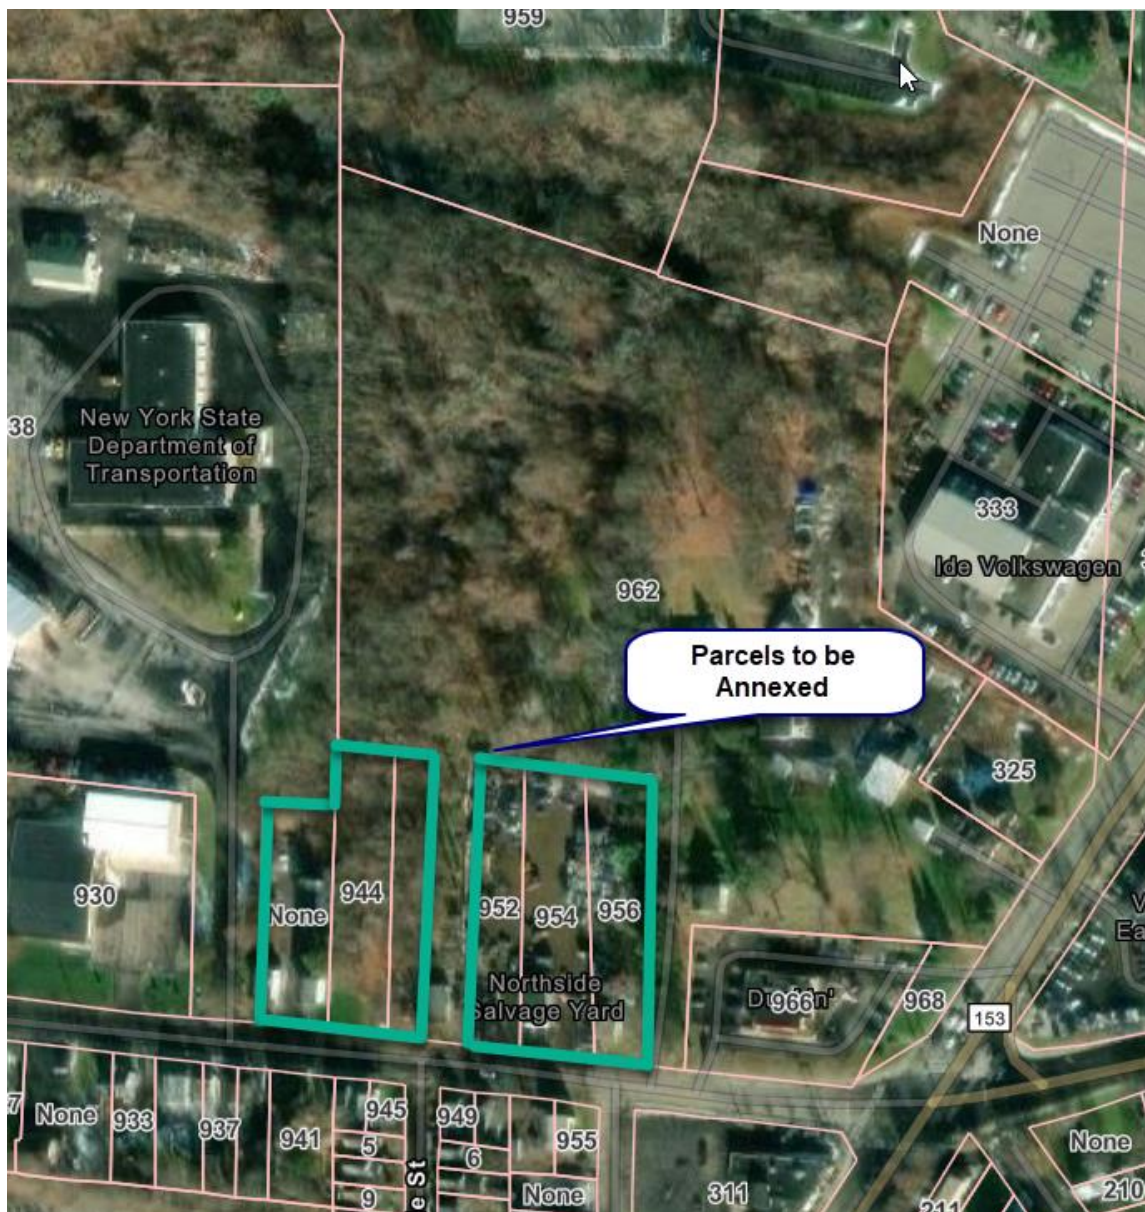

- Relocating the intake and recycling operation to the northern portion of the property, out of public view.
- Upgrading the facade of the existing commercial building.
- Removing several existing houses along Linden Avenue.
- Eliminating multiple curb cuts along Linden Avenue to improve traffic flow and safety.
- Enhancing the streetscape with landscaping and fencing to buffer operations.
- Paving the parking lots and driveway.

Following discussions with both municipalities, it has become evident that annexation should be explored, as managing a project of this scale under two separate jurisdictions presents significant logistical challenges.

This letter serves as our formal request to annex the six properties listed above into East Rochester. Please let us know if any additional materials are required for this request. We look forward to working with you throughout the annexation process. In the meantime, do not hesitate to contact me with any questions.

Sincerely,

John H. Sciarabba, L.S. LandTech

MEMORANDUM

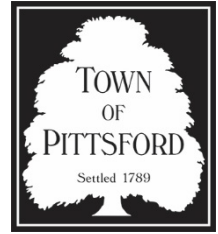

To: Pittsford Town Board

From: Paul Schenkel - Commissioner of Public Works

Date: July 8, 2025

Regarding: Railroad Mills Road Stop Sign Changes

For Meeting On: July 15, 2025

Ladies and Gentlemen:

The Monroe County Department of Transportations (MC-DOT) has been doing maintenance on the portions of Railroad Mills Road and Woolston Road within the County's jurisdiction. I have been working with the County's engineers to realign the Town portion of Railroad Mills Road where it intersects the County road. The goal of the project is to slow speeds and to improve safety for pedestrians and turning vehicles. MC-DOT's sketch of the proposed realignment is attached. MC-DOT will bear the cost of the work.

Currently three stop signs control the three legs of the existing intersection. Once realigned, the intersection would require only one. Accordingly, MC-DOT has asked that the Town amend its Traffic Control Device Inventory by removing two of the Stop signs.

If the Town Board determines that the proposed action should be taken, the following motion would be appropriate:

RESOLVED, that in view of the request by the Monroe County Department of Transportation and the recommendation of the Commissioner of Public Works to remove two stop signs from our Traffic Control Device Inventory at the intersection of Railroad Mills Road and Woolston Road, such removal be and hereby is authorized, in accordance with the following additional resolutions.

At a Regular Meeting of the Town Board of the Town of Pittsford, New York,
held at Pittsford Town Hall, 11 S. Main St., in the Town of Pittsford, New
York,
on the 15th day of July, 2025.

PRESENT:

William A. Smith, Jr., Supervisor
Kim Taylor, Deputy Supervisor

Pittsford to provide its written consent to the removal of 2 "STOP" signs at the intersection of Railroad
Mills Road and Woolston Road, pursuant to Section 1652-a of the New York State Vehicle and Traffic

MEMORANDUM

To: Pittsford Town Board

From: Paul Schenkel - Commissioner of Public Works

Date: July 8, 2025

Regarding: Addition of No Standing Signs on Marsh Road

For Meeting On: July 15, 2025

Ladies and Gentlemen:

Recently, the Monroe County Department of Transportations (MC-DOT) repaved Marsh Road between Palmyra Road (NYS Rt. 31) and NYS Route 96 in Perinton. Every effort was made to widen the shoulders to safely accommodate bicyclists and pedestrians. For the shoulder to become a bike lane, parking will need to be restricted to "No Standing" on Marsh Road between Palmyra Road and Cottonwood Lane.

In considering this, the following regulatory definitions may be helpful:

- No Stopping – This is the strictest regulation. A motorist cannot stop the vehicle at all, even for a moment, except to comply with a traffic signal, an officer's direction, or to prevent an accident.
- No Standing - Allows a motorist to stop briefly to pick up or drop off passengers.
- No Parking - The least restrictive of the three. It means a motorist can stop to load or unload passengers or goods, but cannot leave the vehicle unattended.

We seldom see parking along Marsh Road other than landscape contractors doing property maintenance, so making this part of the road "No Standing" should not create undue inconvenience. The proposed signs will conform to specifications set forth in the Manual of Uniform Traffic Control Devices. MC-DOT will manufacture and install the signs, then transfer ownership to the Town.

If the Town Board determines that the proposed action should be taken, the following Resolution would be appropriate:

RESOLUTION

RESOLVED, that the Town Board approve the following resolutions for the purpose of designating as a "No Standing" zone the portion of Marsh Road described in those resolutions.

At a Regular Meeting of the Town Board of the Town of Pittsford, New York,
held at Pittsford Town Hall, 11 S. Main St., in the Town of Pittsford, New
York,
on the 15th day of July, 2025.

Now, Therefore, be it resolved by the Town Board of the Town of Pittsford, Monroe County, New York, as follows:

Section 1 – That by adoption of this Resolution, the Town Board of the Town of Pittsford does hereby establish a “No Standing” zone on both the east and west side of Marsh Road, County Road 38, from Palmyra Road to Cottonwood Lane.

Section 2 – That such “No Standing” zone be appropriately designated by posting of No Standing signs in accordance with the provisions of the Vehicle and Traffic Law.

Section 3 – All No Standing signs shall be installed by the Monroe County Department of Transportation initially, and upon completion of the original installation, the maintenance and ownership of the aforementioned signage shall transfer to the Town of Pittsford.

Designed for high schoolers, this upbeat new program teaches popular dances like salsa, swing, cha cha, waltz, tango, and more. Social Superstars is a fun, engaging small-group experience that helps kids learn and practice social skills in a playful and supportive environment. The class will focus on making and keeping friends, reading social cues, joining conversations, expressing feelings appropriately, practicing teamwork and problem-solving, and discovering how to navigate tricky moments (sharing, turn-taking, and conflict). This program is ideal for children who are shy or having difficulty joining play, those who want to make more friends but are unsure how, and children with or without IEP's who would benefit from guided practice in social communication. All abilities are welcome!
