## **PART 1 GENERAL INFORMATION, INSTRUCTIONS, AND BID REQUIREMENTS**

---

### PURPOSE OF BID:

The Town of Pittsford (“Town”) intends to secure the services of an experienced and properly equipped contractor (“Contractor”) to construct site improvements and install a pergola. The contract award will be based on low bid price from a responsible and qualified bidder; submission of required bonds and insurance; and full compliance with these Requirements and Specifications. The Town reserves the right to reject any bid should the Commissioner of Public Works (“Commissioner”) determine that it is in the Town’s best interest to do so.

### GENERAL INFORMATION AND INSTRUCTIONS FOR BIDDERS:

1. All bidders should review carefully the contents of this document. All of the Requirements and Specifications in this document will become part of the agreement to be signed by the Town and the successful bidder.
2. The Contractor shall include all labor, materials, equipment services and transportation to locate the pavilion on the site designated with all other work
3. The project shall be complete and operational and shall include all exterior materials and systems as shown or indicated in contract documents.
4. Work shall be performed as necessary and required for the construction of the site improvement as indicated.
5. The final pages of this document contain the “Bid Proposal Form” and “Non-Collusive Bidding Certificate”. The Bid Sheet needs to be completed and returned to confirm the amount of the bid. All exceptions to the specifications should be carefully noted on the bid sheet. The Non-Collusive Bidding Certificate is a document required by the General Municipal Law of the State of New York and is to be signed and returned with the Bid Sheet.
6. All bids must be sealed and be addressed to the “Commissioner of Public Works” and be marked “Copper Beech Park Expansion”.
7. Bids may be mailed or personally delivered to the Commissioner at the Pittsford Town Hall, 11 South Main Street, Pittsford, New York 14534. All bids must be received by the Commissioner by the date and time set for the bid opening noted on the cover sheet of this document.
8. All bids submitted shall remain good for a period of sixty (60) days from the date of bid opening.
9. The Town reserves the right to reject any bid for non-compliance with these Requirements and Specifications and/or to waive informalities.
10. All bids, at the earliest, will be presented to the Town Board at its **May 21, 2024** meeting, for consideration. Immediately following an award of bid by the Town Board, the successful bidder will be notified, by letter from the Commissioner. The Commissioner’s letter will include an agreement, to be signed by the successful bidder

---

and returned to the Town, together with the required Insurance Certificates and performance bond. The signed agreement, Insurance Certificates and performance bond must be received, by the Town, within ten (10) days

11. Additional information may be obtained from Paul Schenkel, Commissioner of Public Works at (585) 248-6250. Informal and informational responses will not be binding on the Town. Formal requests for interpretations of these Requirements and Specifications must be made in writing to the Commissioner at least five (5) days before bid opening.

### **RESPONSIBLE BIDDER QUALIFICATIONS:**

The contractor is made aware that some specifications utilized on this project require specialized experience. The contractor is required to submit qualifications along with the bid proposal form. Contractor must provide written certification that it has 5 or more years' experience under the same name. This material will be utilized in evaluating the lowest responsible bidder. The following specifications require contractor qualifications.

- A. Concrete pavement with exposed aggregate specialty finish
- B. Wood frame construction
- C. Plant installation

The Town reserves the right to reject any bid where the bidder cannot satisfy the Town as to ability to perform.

All contractor staff and project laborers shall be skilled and qualified for the work that they perform. All materials used, unless otherwise specified, shall be new and of the types and grades specified. The contractor shall certify that no asbestos containing building materials that exceed Federal mandated safe asbestos levels have been used in the construction of the membrane-covered structure

### **EXECUTION OF AGREEMENT:**

Within ten (10) days after written notice has been given to the successful bidder (hereafter "Contractor") that the agreement has been awarded, the Contractor shall execute an agreement incorporating all of the terms, conditions of these "Bid Requirements and Specifications" and the "Bid Sheet" submitted by the Contractor, together with any and all required performance bond and insurance certificates. In the event that the Contractor shall fail to complete the above, the Contractor's bid will be deemed withdrawn and the bid security forfeited to the Town.

### **PERFORMANCE BOND:**

At the time of agreement execution, the Contractor shall furnish a performance bond in the amount of \$30,000.00, in a form and by a company acceptable to the Commissioner, to secure the full, faithful, and timely performance of the terms, conditions and specifications of the agreement.

# **PART 1 GENERAL INFORMATION, INSTRUCTIONS, AND BID REQUIREMENTS**

## **SAFETY, INDEMNITY AND INSURANCE:**

The Contractor shall render performance in a manner such that all persons and property are protected at all times. The Town specifically reserves the right to suspend or terminate (at the Town's option) all performance under this agreement in the event that the Contractor and/or the Contractor's employees or subcontractors are proceeding in a manner that threatens the life, health or safety of any of Contractor's employees, subcontractor's employees, Town employees or members of the public. This reservation of rights by the Town in no way obligates the Town to inspect the safety practices of the Contractor.

The Contractor shall protect, indemnify and hold harmless, including payment for all attorney's fees and court costs, the Town, its officers, agents, and/or employees, from any liability, cost, loss or damage on account of any injury to person or property or both, arising from the Contractor's performance. The Contractor shall defend, at the Contractor's own expense, all suits which may be brought to recover damages arising from the Contractor's performance, including any and all suits or actions brought against the Town, its officers, agents, and/or employees.

At all times during the life of the agreement, the Contractor shall procure and maintain insurance, at the Contractor's expense, for liability for damages, costs and/or claims with insurance companies authorized to do business in New York State, such policies to embrace all operations performed under the Agreement by the Contractor. More particularly, the Contractor shall procure and maintain the kind and amounts of insurance as follows:

1. **WORKERS' COMPENSATION INSURANCE:** As required by New York State law.
2. **MOTOR VEHICLE LIABILITY INSURANCE:** Each policy shall cover the Contractor and the Town of Pittsford, as "additional insured", with a combined single limit of not less than \$1,000,000.00.
3. **COMPREHENSIVE GENERAL LIABILITY POLICY:** Each policy shall cover the Contractor and the Town of Pittsford, as "additional insured", with limits not less than \$1,000,000.00 for each occurrence; \$1,000,000.00 personal injury; and \$2,000,000.00, general aggregate.
4. **UMBRELLA POLICY:** Each policy shall cover the Contractor and the Town of Pittsford, as "additional insured", with coverage of at least \$1,000,000.00

At the time of the execution of the agreement, the Contractor shall furnish to the Commissioner "Certificates of Insurance", in a form satisfactory to the Commissioner, showing proof of the above insurance requirements, which Certificates shall provide that the policies shall not be changed or canceled until ten (10) days written notice has been given to the Commissioner.

## **OTHER LAWS:**

The Contractor, and all employees acting under the direction of the Contractor, shall strictly comply with all federal, state and local laws and ordinances controlling or limiting in any way the actions of those engaged in the work (including their wages, hours, or benefits), shall be strictly

## **PART 1 GENERAL INFORMATION, INSTRUCTIONS, AND BID REQUIREMENTS**

---

complied with by the Contractor and all employees working under his direction. This shall also include Equal Employment Opportunity requirements, Article 8, and Section 220 of the New York State Labor Law. This is a New York State Department of Labor prevailing wage rate bid. Certified payrolls shall be furnished by the Contractor to demonstrate compliance on a monthly basis, prior to payment.

Prevailing wage schedule is available online at [www.labor.ny.gov](http://www.labor.ny.gov). The project Prevailing Wage Code Number (PRC#) is 2023009126. The prevailing wage schedule is also included in the Appendix.

Contractor shall certify that all of its employees doing business with the Town have had all of the sexual harassment prevention training required by NYS Labor Law §201-g within the last year.

### **PERFORMANCE PENALTIES:**

The agreement between the Contractor and the Town may be terminated for the material breach of any term by the Contractor. Further, the Contractor shall be liable for all loss, costs, and/or damages of the Town, including reasonable attorney's fees resulting from any litigation arising hereunder, together with a performance penalty equal to 15% of the bid price in the event of a breach of contract by the Contractor.

**END OF SECTION**

## **PART 2 SCOPE OF SERVICES**

---

### LOCATION:

The improvements are located on the Town owned property located in the Village of Pittsford at 10 North Main Street, Pittsford, NY 14534.

### TIME OF PERFORMANCE

The construction shall be completed and ready for use no later than **November 28, 2024**. The timing of the start of construction shall be at the discretion of the Contractor, with the approval of the Commissioner.

### APPROVAL OF PLANS:

All work to be performed under the conditions of this specification shall comply with the rules and regulations of all agencies having jurisdiction for this classification of construction and design.

### SPECIAL CONDITIONS

- Work times under this contract shall be limited to:
  - Mondays – Fridays from 7:00 am – 8:00 PM
  - Saturdays – Sundays from 9:00 am – 5:00 PM.
- Construction activities must not interfere with the operations and public use of the adjacent businesses and parking lot.

### SUBMITTAL REQUIREMENTS – SHOP DRAWINGS, PRODUCT DATA AND SAMPLES

The requirements of this Section are general in nature and apply to the technical specifications in the Contract Drawings. Additional submissions and more specific requirements on submissions may be contained in the Contract Drawings.

No construction shall be initiated by the Contractor on any portion of the project without the proper submissions called for in the Contract Documents. Before construction is started on any portion of the work, all shop and/or placing drawings pertaining to that portion of the work shall have been submitted and reviewed by the Landscape Architect.

**Schedule** - Within ten days after the final construction schedule has been distributed, the Prime Contractor shall submit to the Landscape Architect a preliminary schedule of Shop Drawing submissions. The Landscape Architect shall be notified immediately of changes in the preliminary schedule.

**Shop Drawings** - Include all drawings, diagrams, illustrations, brochures, catalog cut sheets, schedules, and other data which are prepared by the Contractor, Subcontractor, manufacturer, supplier, or distributor and which illustrate the equipment or some portion of the work.

## **PART 2    SCOPE OF SERVICES**

---

**Outline of Submittals** – See project drawings (cover sheet) for outline of required submittals. This outline is included for convenience only and is not necessarily intended to be “all-inclusive”. Shop drawings shall be ordered as deemed necessary by the Landscape Architect for those items required by the contract specifications.
