 - Bill will appear
 - For tax purposes - to obtain total amount paid for previous year click on payment history tab at bottom of page. You may click on individual years on the left in blue for School/Town & County breakdown.
- II. Once you have the exact amount of your 2022 Town & County tax:
1. Make your check payable to "Renee McQuillen, Receiver of Taxes"
 2. Write tax property address on check & a current phone number
 3. Address a mailing envelope & write PREPAYMENT on front envelope:
Renee McQuillen, Receiver
11 South Main Street
Pittsford, NY 14534
 4. If you are able to print the bill, send the entire bill (2 pages) in the envelope with your check (this helps us process your payment faster)
 5. Take payment envelope into a U.S. Post Office, take to the counter, and **have the envelope postmarked December 31**. (We will return the original envelope to you with your receipt for proof of pre-payment).
- III. Note: We cannot accept the prepayment in person, over the counter. Your envelope that we return to you is your proof of pre-payment, as the tax system only posts payments after January 1 (so your receipt will say 1/1/2022).
- IV. Also note that, although you are making a prepayment, you will receive the original bill in the mail the first week of January, as they are printed and mailed from the printer and we cannot intercept them.
