Building History

- building constructed in 1916 as the Pittsford School, which served Pittsford children from kindergarten through 12th grade
- after the construction of Sutherland High School in 1952 the building continued to serve younger students
- more school facilities were built through the years and the building became home to Pittsford's Recreation Department in 1973
- the building was dedicated in honor of Paul M. Spiegel in 1987; Mr. Spiegel served as Pittsford Town Supervisor from 1966-1987

Lobby Level

- street-level entrance
- spacious gathering area
- Welcome Desk and Recreation Staff offices
- access to gymnasium
- display monitors – provide news and information about upcoming programs, services, activities, events
