## JULY IS PARKS AND RECREATION MONTH

July is Parks and Recreation Month, and this year's National Recreation and Park Association's theme is "Build Together, Play Together: 40 Years of Park and Recreation Month." The goal of Parks and Recreation Month is to celebrate the park and recreation professionals who improve the lives of tens of millions of people, making a lasting impact in communities nationwide. Our park and recreation professionals work diligently to foster a sense of belonging in our community by offering welcoming and inclusive

programs, essential services for all ages and abilities, and safe, accessible spaces that enable the building of meaningful connections.

### Some fun facts about Pittsford's parks and recreation programs:

- Our Parks Department maintains [14 parks](#) and over [90 miles of trails and pathways](#).
- The Town has an [online interactive trails and sidewalks map](#) that shows all our trails and sidewalks, with links to trail maps!
- Carpenter Park at the Port of Pittsford and Great Embankment Park were designed to integrate with the bordering Erie Canal, offering boat docks, seating areas, access to the Erie Canalway Trail, and an accessible kayak launch.

- The **Pittsford Dog Park** features separate fenced in areas for small and large dogs, dog play structures, water fountains, a dog wash station, clean up and disposal area for dog waste, benches and picnic tables, and it's located on the Town's trail system, providing access to Cartersville/Simon Stone's Mill trails!
- All parks play a vital role in the protection of the environment, but our Pittsford Parks team goes above and beyond by planting **pollinator gardens** in our parks and at the Community Center, planting native trees and plants, establishing an Erie Canal Nature Preserve, saving the Town's iconic Copper Beech tree by cloning and distributing its saplings, establishing a Bird Harbor at Great Embankment Park, and expanding Copper Beech Park in the center of the Village.
- Our Recreation Department has been designated "Autism Friendly" by the Autism Council.
- Our Summer Fun Day Camp is certified by the NYS Department of Health and offers fun activities and field trips.
- Each year, our Recreation team puts on **three major festivals**, a Memorial Day parade, a Summer Concert Series, a Kids Concert Series, and a Family Movie Night series, all of which are free and open to the public. Additionally, they offer a diverse range of recreational programs and activities throughout the year, catering to all ages, from toddlers to seniors.
- In the United States, **84% of adults seek high-quality parks and recreation when choosing a place to live.** Thank you to our Parks and @ [Pittsford Recreation](#) teams for making Pittsford such a special place to call home!

Stay tuned as we shine a spotlight on our Parks and Rec programs and teams this month in our eNews, [Facebook](#), and on [Instagram](#)!
