JOINT PUBLIC HEARING TOMORROW ON PROPOSED ANNEXATION OF PITTSFORD PARCELS TO EAST ROCHESTER

At the request of the Village of East Rochester, a joint public hearing will be held **tomorrow, Thursday, January 15, 2026, at 6:00pm** at **East Rochester Village Hall, 317 Main Street, East Rochester**, to consider a petition to annex five tax parcels of land from the Town of Pittsford to the Village of East Rochester. The hearing will be conducted jointly by the **Pittsford Town Board** and the **East Rochester Village Board**.

The purpose of the request is to facilitate a redevelopment of a portion of Linden Avenue to move operations of the Northside Salvage Yard away from the street.

The total area proposed for annexation is approximately 2.3 acres. At its January 7, 2026, meeting, the Pittsford Town Board approved setting the date for the joint hearing after receiving the petition from the Town/Village of East Rochester. The resolution passed unanimously.

Residents are invited to attend the hearing and to offer comments on the proposed annexation.

The Town Board meeting will stream live through East Rochester's cable access station's streaming portal. Please use the following link: <https://bit.ly/4qMVwNc>

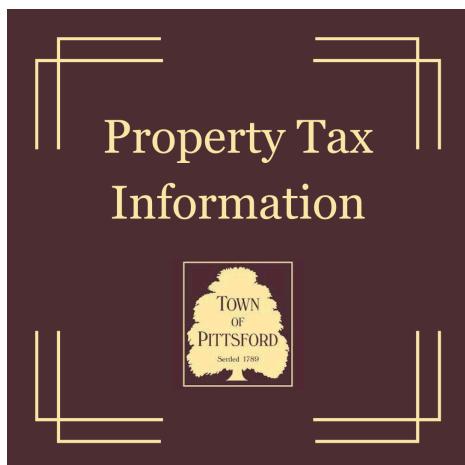

You can watch on any computer, tablet, smartphone, or web-capable TV. If you log in before the meeting starts and see an error message, refresh your screen at 6:00 pm, when the board meeting begins. You can then view the meeting live as it happens.

2026 TOWN AND COUNTY TAX BILLS – DUE 2/10

If you are not in escrow, the County has sent you your 2026 Town and County property tax bill in the mail by this time. If you haven't received it yet, please do one of the following:

- 1) Download and print a copy directly from the [Monroe County website](#)
- 2) Call the Town Tax Office at 585-248-6215 or email the Town Clerk/Tax Receiver at townclerk@townofpittsford.org, and they will email you a copy of the bill.

The deadline for **interest-free** Town and County property tax payment deadline is **Tuesday, February 10**. First installments will be interest-free **if paid no later than Tuesday, February 10**.

County Tax Law imposes interest on any payment made after February 10. **The Town has no authority whatsoever to waive or excuse payment of interest, regardless of the reason for late payment.** Therefore, by law, the Town is not permitted to do so.

Please read all the instructions and information on the back of your bill carefully. **Please include your payment coupon (page 2 of your bill) and a contact phone number with your check.** Failure to do so will increase processing time.

How to make your payment:

- **By mail to:** Renee McQuillen, Receiver, 11 South Main Street, Pittsford NY 14534
- **In person,** Monday through Friday, 8:00am to 4:00pm, at Pittsford Town Hall, 11 South Main Street, or through the mail slots (into locked boxes) available 24/7 at both the front and back entrances.
 - For cash payments, we ask that you bring the exact amount, and please call ahead for an appointment to ensure we have proper staffing.
- **First Installments and full payments** can also be made at Canandaigua National Bank, 18 State Street, in Pittsford Village, through February 10, 2026.
- **Pay online** through Monroe County by credit card or check debit. Please note that there is a 2.75% fee for credit card payments and a sliding-scale fee for check debit payments. To pay online, click [HERE](#).

As in the past, we **strongly** advise that you do NOT pay by electronic check, as these payments do not receive a U.S. postmark and may arrive late. If your payment arrives late, the County Tax Law imposes interest on it, **which the Town has no authority to waive or excuse**. If you choose to pay your tax bill through your bank's online bill pay (electronic banking) system, please be aware that your bank still generates and mails a paper check to the Town, and it may take up to 2 weeks to reach the Town's offices. This type of mail does not receive a USPS postmark. Therefore, the Town can only consider your payment received on the date it is physically received in our office. If the payment is received after the deadline, it will be considered late and will accrue interest and penalties.

NOW IS THE TIME TO SIGN UP FOR A REFUSE DISTRICT

January 1 through April 30 is the **annual enrollment period** for residents interested in establishing a refuse district that will begin on January 1 of 2027. A refuse district is a designated area where a single refuse collector provides weekly trash and recycling service to all households, with costs billed as a special district charge on the annual Town tax bill.

REFUSE DISTRICTS ARE CATCHING ON!

Enrollment for service beginning in 2027 is underway now through April 30

Find out more at:
www.townofpittsford.org/refuse-districts

Key Details

- Districts are typically composed of adjacent streets; a formal neighborhood association is not required
- District boundaries are determined entirely by residents
- Homeowners representing at least 50% of the aggregate assessed value of properties in the proposed district must sign a notarized petition
- The Town provides petition forms, notarization assistance, and guidance throughout the process

How the Process Works

- Petitions must be submitted to the Town by **April 30**
- The Town competitively bids refuse collection services and awards contracts to the lowest responsible bidder
- Residents are notified of the annual cost per household before a district is finalized
- Proposed districts move forward to a public hearing and Town Board vote before adoption

Residents interested in forming a refuse district should begin by speaking with neighbors to define district boundaries. To get started, please visit the "[How to form a refuse district for your neighborhood page](#)" on the Town website, and then contact **Maureen Nix** in the Town Department of Public Works at **(585) 248-6253**. Maps of current and adopted refuse districts, along with additional information, are available at www.townofpittsford.org/refuse-districts.

THINK CONSERVATION – AND SPRING!

– MONROE COUNTY TREE & SHRUB PRE-ORDER PROGRAM

Orders accepted through March 6

Winter may still be with us, but now is the perfect time to plan for spring planting while supporting local conservation efforts. The 2026 Conservation Tree & Shrub Program, offered by the [Monroe County Soil and Water Conservation District](#), is now open for ordering and provides an easy, affordable way to enhance your property and help protect our natural environment.

This annual pre-order program allows landowners to purchase native or naturalized tree and shrub seedlings for New York State. Orders are accepted each winter, with distribution taking place in April. Each year, the District introduces new species and offers a wide selection of evergreens, hardwood trees, shrubs, wildflowers, seed mixes, conservation packs, and enhancement items designed to support wildlife habitat and environmental health.

Planting trees and shrubs is one of the most effective ways individuals can make a positive environmental impact. Trees filter air and water pollutants, reduce stormwater runoff, stabilize soil to prevent erosion, provide habitat and food for wildlife, and offer shade, privacy, and seasonal beauty. They can also reduce energy use by cooling homes in summer and blocking cold winds in winter while adding long-term value to your property.

Ordering details:

- **Order deadline: Thursday, March 6, at 4:00pm.**
- **Pick-up dates: April 23 and 24, from 9:00am to 5:00pm**
- **Pick-up location: Monroe County ecopark, 10 Avion Drive, Rochester, NY 14624**
- **Overstock sale: Saturday, April 25, from 9:00–11:00am (or until sold out), at the ecopark**

Orders may be placed online, by email, or via USPS. A [fillable order form](#), [full catalog](#), and [online store](#) are available through the Monroe County Soil and Water Conservation District. Those experiencing technical issues with the online store are encouraged to complete the order form and submit it by email.
