September 2025

1 Observation Deck

The lumber for the observation deck was generously donated by former Pittsford resident, Jeff Skuse, to replace the old deck that had deteriorated beyond repair. Mr. Skuse grew up in Pittsford and has enjoyed the park for many years as both a child and an adult. In addition to the lumber, the Pittsford Sutherland High School graduate also donated a plaque dedicating the deck to his former environmental science teacher, Gill Petri. The observation deck allows nature lovers to bird watch or sit, relax and enjoy the beautiful park.

Isaac Gordon Trails

Alcoholic Beverages Prohibited

Hunting Prohibited

townofpittsford.org

Horses Allowed

Sidewalk

Glazer Loop 1.00 Miles

The orange loop utilizes the outermost trails of the Isaac Gordon Nature Park. Dedicated in 1979 on land donated to the Town by the Isaac Gordon Foundation and Dr. Jerome Glazer, Isaac Gordon Nature Park is a passive recreational area that provides walking trails in a beautiful and diverse environment.
